

**INFORMATION REGARDING 2018 NCAA DIVISION I MEN'S BASKETBALL
COACHES' ATTENDANCE AT ELITE AND JUNIOR LEVEL
INTERNATIONAL EVENTS AND NATIONAL TEAM EVENTS**

To assist the membership, the NCAA academic and membership affairs staff has collaborated with USA Basketball to provide a list of events men's basketball coaches may or may not attend in the upcoming months. It is important to note the list is not exhaustive and even though NCAA bylaws may permit coaches to attend an event, the governing body may limit coaches' attendance due to the importance of proper national team preparations and gym space limitations.

Note: For coaches to attend practices during FIBA Competitions, coaches need the approval from the local organizing committee and each countries' national team in order to watch practice. All the USA Basketball practices in Canada for the U18 competition and in Argentina for the U17 competition will be closed to college coaches.
