

First Day of Classes

A currently enrolled Division I student-athlete with remaining eligibility may participate in an NCAA-certified summer league only on certified dates between June 15 and August 31 or the institution's opening day of classes (whichever occurs earlier).

It is the league operator's responsibility to identify and document the "first day of classes" for each Division I institution in which the league has participants. Even if there are certified dates that are after the student-athlete's first day of classes, it is the operator's responsibility to prohibit the student-athlete from participating on those dates.

If a Division I student-athlete is permitted to participate in the league after that athlete's institution has started classes for the fall, the league will be rendered ineligible for certification the following year.
