

Coaching a Team in an NCAA-Certified Event?

This document contains the basic information you need to know prior to participating in an NCAA-certified event. It is important for participating coaches to visit www.ncaa.org/basketballcertification frequently for updates to this information. See: [Information on the Certification Website](#)

PRIOR TO PARTICIPATION:

Before participating in an NCAA-certified event, all participating coaches will have to complete the LexisNexis Application for Participant Approval and be approved and each team will have to be registered in the [NCAA Basketball Certification System](#) (BBCS).

For assistance with the Participant Approval process and BBCS team registration process, see:

- [First Advantage Manual](#)
- [Coach's Basketball Certification System \(BBCS\) Manual](#)
- [Coach's Manual](#)
