

PROVISION OF EQUIPMENT AND APPAREL:

A prospective student-athlete or currently enrolled Division I student-athletes who attends an NCAA certified event or league shall not retain any athletics equipment or apparel provided for his use at the event/league other than an event/league T-shirt. All other apparel (e.g., shoes or shorts) may be retained only if the prospective student-athlete is charged the normal retail value of such items (as opposed to the operator's cost in purchasing the items).
