Qualification Statement	Given my diverse background as a college athlete, professional athlete, and college administrator I believe that I am uniquely qualified to serve as a member of the Division II Football Committee. My experiences on and off the field, in the NFL, in the Southeastern Conference, and working closely with the football program at the University of South Carolina and here at Newberry College provide me with sound insight into the dynamics and metrics of College football. My governing principles are those of hard work, integrity, equity, and sportsmanship and it is my intent to employ those in every capacity with which I am involved including this committee. I would consider it an honor to serve in this role.
