<b>Qualification Statement</b>	I have been employed at seven NCAA institutions ranging from NCAA FBS, NCAA FCS, NCAA DI without football and NCAA DII. One constant has been being exposed to Men's and Women's Tennis at each and every stop to some degree, including my current employment as the AD at Northeastern State. Here, we have a nationally recognized tennis program under the direction of Coach Ron Cox, and together we are making strides to improve the sport of tennis on our campus through increased marketing and facility upgrades. I have primarily ran, or assisted, post season tournaments at both the Conference and NCAA level (even in the sport of tennis), and have a breath of experiences working with committees and organizations. I see a lot of potential in the sport of tennis and hope to bring progressive thoughts to the table while respecting the history, precedent and current composition of the committee. This is the lone application I put forth which should indicate my interest level.

In terms of sport oversight responsibilities, at SMU, I managed the SMU Men's and Women's basketball programs (2007, 2008) as they participated in the C-USA Championships. Moreover, I was the direct contact for the SMU Women's participation in the 2008 NCAA Women's Basketball Tournament.</p> <p>At Bucknell, I was the direct liaison for the women's volleyball team's participation in the Patriot League Championship (fall 2002).</p>
<b>Regional Ranking Exp</b>	<p>Serving as the AD for Northeastern State, I am very familiar with the regional ranking process in our NCAA sponsored sports. Moreover, in my current capacity as the primary athletics administrative liaison for the Lone Star Conference Men's Soccer coaches (one of my committee designations), the issue of regional rankings is always a discussed agenda item.</p> <p>Also, while employed at the University of South Dakota (then NCAA Division II) in 1999-2000, I wrote and organized the official bid to host the men's basketball regional. As such, analysis of the regional rankings was tantamount to a successful bid.</p>
