<b>Conf Champ Mgmt Exp</b>	Within the past several years – Saint Leo University hosted major conference championships (Men & Women's Soccer, Men & Women's CC, and Men's & Women's BB), as well as the NCAA South Region Men & Women's Soccer Tournament. I have been involved in all aspects of planning each championship. Men & Women's Soccer – I was directly responsible for field set-up (banners, crowd flow, media tent, and hospitality tent), tickets and concessions and practice times for the tournament. Men & Women's CC – I was the oversight administrator for the championship that took place at an off campus venue. Men's & Women's Basketball – I was director in the planning and oversight of the facility (staging of the gym, hospitality room, media room, ticket set-up, locker rooms, and working with all the outside vendors).
<b>Regional Ranking Exp</b>	I have and I am currently serving on the NCAA South RAC softball. I understand how hard and valuable the committee work is. I also understand that having an experienced and qualified individual leading the committee is key. I have been on the committee that has had great leaders that provide information not only to the committee but though ut the region, so everyone understands what the committee is looking at and evaluating. I have also been on the committee when the representative does not understand what is expected and is changing the evaluation process from week to week, which leads to a lot of frustration by the committee as well as the coaches within the region. I believe I would provide the experience and keep not only the committee informed and moving in the right direction, but the region informed as well.

<b>Qualification Statement</b>	Over the past 35 years I have been involved in intercollegiate athletics in a variety of areas which I believe have prepared me for excellent leadership within the NCAA committee structure. I was a 5 sport letter winner, a coach of 5 different sports for over 23 years, am currently an associate professor and have taught over 25 years.
