Qualification Statement	My current position has afforded me the opportunity to serve as the Director of Championships at the East Coast Conference for the last two years. I have event-specific experience from having worked and attended two of the last four NCAA DII Women's Lacrosse Championships, and have garnered experience as a site representative and, subsequently, as a pre-tournament meeting coordinator at the NCAA DII level. I feel as though these experiences, and my knowledge of the sport from working with programs at the national level in the last four to five years, would make me an ideal candidate to serve the sport and the NCAA in this position.
