SECTION II: GENERAL FACILITY REQUIREMENTS

Therefore, most of the following information is for the benefit of facility personnel, not the LOC. These tasks should be assigned to individuals based on their expertise.

1. **Alcoholic Beverages.**

On the dates of competition or practice, no alcoholic beverages or “nonalcoholic” beer shall be sold or dispensed for public or private consumption anywhere in the arena. No such beverages shall be brought to the site during the championships (i.e., during the period from the time access is available to spectators until all patrons have left the facility or area used for consumption).

Alcoholic beverages may not be served in facility clubs or restaurants beginning at the time the facility opens to the public and ending 90 minutes after conclusion of the final contest (or practice) of the day. Facility clubs or restaurants are those areas where patrons have access to the facility seating area without passing a ticket taker’s position.

Alcoholic beverages shall not be delivered to private viewing suites on the dates of NCAA practice or competition. Additionally, it shall not be permissible for alcoholic beverages to be distributed or consumed outside the private viewing suites.

2. **Americans with Disabilities Act.**

The Americans with Disabilities Act, which went into effect January 26, 1992, requires that public establishments offer equal access and services to people who are physically and mentally disabled. The NCAA will rely on host organizations to confirm compliance with the act by the host facilities. The prospective host that is bidding on this championship agrees to all terms and conditions as outlined above in this Championship Bid Specifications Agreement. We agree to comply with all the requirements listed in this document and to administer the designated championship in accordance with the policies of the NCAA and the applicable NCAA sports committee. Prospective hosts that agree with all the requirements listed in this document for the designated championship shall signify agreement by selecting “Yes” below.

- [ ] YES
- [ ] NO
- [ ] NO with Exception

Prospective hosts who do not agree with all requirements in this document shall select either “No” or “No with Exception” and declare any issues and/or exceptions regarding the aforementioned terms. Please note: any proposed revisions to the language in this document must be specified in the bidding portal to be considered.
SECTION III: LODGING

General Guidelines:

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sport specific bid specification. Properties must meet the required service levels and be in reasonable proximity to the event venues. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties Anthony Travel should consider when contracting. Specifications should also disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying will all requirements in the contract terms as presented in the sample contract.

Hotel Room Block
All hotels shall be in close proximity (ideally within walking distance) from the event venue. The team hotels must be of comparable quality and distance from the playing venue.

The host institution is financially responsible for the official accommodations to be reimbursed by the NCAA.

**Administration.**
The host institution must recommend local hotels for use by the competing teams and the NCAA. The NCAA must approve all hotel contracts prior to signing the contract. It is strongly recommended that each hotel be equally accessible to the arena and have its own full-service restaurant and catering capabilities.

**Food and Beverages.**
Hotels shall keep food and beverage outlets open and provide room service as late as possible on all nights during the championship.

**Host Staff Apparel.**
The NCAA will encourage its licensees to provide standard sportswear to be worn by hotel personnel (e.g., front-desk employees and bell staff) at headquarters and team properties. The design may include the manufacturer’s logo and the Elite Eight logo. The NCAA must also approve the design in advance. Cost for this item is the responsibility of the LOC, unless a licensee donates it.

**Hotel Room Needs.**
The LOC shall reserve rooms for the NCAA, media, NCAA corporate partners, and participating institutions (17 double-double rooms and one complimentary suite for each team, if available). Additional rooms should be available for special guests and fans. Separate hotels may be used.

**Basketball Committee/NCAA Staff Accommodations.** The NCAA staff and men’s basketball committee will arrive Tuesday/Wednesday. A list of individuals who will stay at the headquarters hotel will be forwarded to the headquarters hotel on or about the Monday before the quarterfinals. Checkout will be Saturday, championship game day, or Sunday.
Three of the rooms in the standard block are to be upgraded to parlor suites when possible for the basketball committee.

**Competing Institutions’ Responsibility.** Each competing institution is obligated to confirm or cancel the accommodations. An institution is not obligated to stay at the designated property; however, it is responsible for the cost of rooms if canceling its reservations and then securing its own accommodations. The participating institutions are responsible only for the rooms reserved. If an institution prefers to stay at another hotel, it must (1) obtain a release for the rooms (in writing) from the hotel manager; or (2) use the rooms for persons accompanying the official traveling party. If an institution fails to make satisfactory arrangements for use of rooms with the hotel, full charges for the rooms will be billed to the institution.

**Complimentary Suite and Meeting Space.** One complimentary suite for the director of athletics or head coach and complimentary meeting space should be provided to each team as part of the block (if available).

**Early Departure.** The host shall familiarize the properties with the tournament format so the management understands in advance that a losing team customarily departs the area after its last game or the next morning.

**Officials Accommodations.** The LOC shall reserve rooms *(which must be at a separate hotel from the student-athletes)* for the officials. All hotel expenses (single room and tax, but not incidentals) for officials required to stay overnight at the championship site shall be paid by the host institution and later reimbursed by the NCAA.

During the week of competition, the NCAA shall advise the hotel management of the game officials’ names. Otherwise, the game officials’ names shall be kept confidential.

**Reservations.** The team rooms should be reserved beginning Tuesday night before the competition. It is possible that teams could arrive as early as Wednesday.

**Room Blocks.** Every effort should be made to block each team’s rooms together on the same floor. Room blocks for team boosters should not be on the same floor as the team.

**Room Rate.** Room rates for the NCAA, press and participating teams must be comparable in range. The NCAA accepts standard complimentary policy of at least 1/50. The NCAA also will select a complimentary parlor for a meeting room. This will be provided outside the complimentary block.

**Housing Bureau for General Public.**
The host city convention and visitors bureau may provide housing information to the general public at the time public game tickets are distributed. Any housing information shall be produced at the host’s expense. All items for distribution in conjunction with the ticket mailing must be submitted to the NCAA for approval not later than 11 months before competition.

**LOC Obligation.**
The NCAA will request assistance from the host city convention and visitors association in reserving rooms to accommodate each Championship constituency. It shall be the LOC’s responsibility to communicate the NCAA requirements to the hotel properties before the awarding of the Championship to the city. The hotels will be responsible for providing rates to the NCAA no later than September 1, approximately six months in advance.

The LOC is responsible for reaching agreements with the hotels.

**Welcome Banners.**
The NCAA shall provide standard “welcome” banners for the headquarters hotel and team hotels (two for each property). It is requested that no signs with commercial identification be displayed in the hotels (except banquet). If the LOC chooses to distribute its own banners, the NCAA must approve the design in advance.

**Welcome Buttons.**
The LOC may choose to distribute welcome buttons, at its expense, to headquarters and team properties as part of developing a “look” throughout the city. The LOC must submit the design of the buttons for NCAA approval.
