The host site will be responsible for providing space at no charge and volunteer staff to support an interactive fan festival, which shall be produced by the LOC and a designated production company at the sole direction of the NCAA. The space chosen should be conveniently located to the venue. The fan festival should be fully operational for the duration of competition. The fan festival will provide fans the opportunity to enjoy hockey-related programming and interatives, view historical and corporate partner driven exhibits, participate in interactive games from numerous sports, eat, relax and enjoy a fun, family-oriented atmosphere when they are not viewing championship competition.

1. Move-In/Move-Out. The facility shall be available for move-in no later than 8 a.m. three days before the start of competition at the NCAA Division I Men's Ice Hockey Championships. 3. Facility Space. During the event the LOC/host shall provide, free of charge, a 100,000 square foot space with a secure perimeter (may be temporary) for use as a fan festival area and to host various on-stage ancillary events. 4. Indoor or Outdoor Space. For host cities that are in warmer climates (anticipated daytime temperatures in the 60's or above) outdoor space will be considered. However, the preferred space would be in an adjacent convention center or large hall which could provide 100,000 square feet of lighted, heated, barrier free space which is in compliance with all applicable city, state or Federal laws and regulations, including those concerning access for the disabled. For cold-weather cities without access to these types of permanent facilities, a large climate-controlled and well-lit tent which is in compliance with all applicable city, state or Federal laws and regulations, including those concerning access for the disabled will also be considered.

SECTION V: LODGING SPECIFICATIONS

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sport specific bid specification. Properties must meet the required service levels and be in reasonable proximity to the event venues. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties Anthony Travel should consider when contracting. Specifications should also disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying will all requirements in the contract terms as presented in the sample contract.
