The space chosen should be conveniently located to the arena. The fan festival should be fully operational for the duration of competition. The fan festival will provide fans the opportunity to enjoy wrestling-related programming and exhibitions, view historical exhibits and wrestling memorabilia, participate in interactive games from numerous sports, eat, relax and enjoy a fun, family-oriented atmosphere when they are not viewing championship competition.

1. Availability.
   a. **Move-In/Move-Out.** The facility shall be available for move-in no later than 8 a.m. three days before the start of competition at the NCAA Division I Wrestling Championships. Move-out will conclude by noon two days after the completion of competition at the NCAA Division I Wrestling Championships.
   b. **Facility Conditions.** The facility shall be clean, lighted with heat and/or air conditioning capabilities and shall be in compliance with all applicable city, state or Federal laws and regulations, including those concerning access for the disabled.
   c. **Financial Arrangements.** The venue and services (e.g. rental fee, utilities expense, staffing, parking, security, internet, etc.) outlined below will be provided at no cost to the NCAA or the NCAA’s production company.

2. Facility Specifications.
   a. **Facility Space.** A minimum of 125,000 square feet of first-class exhibit space, for use as the NCAA fan festival area and to host various on-mat and on-stage events. This space will ideally be adjacent to the competition arena but must not be outside of a one-half mile radius of the facility.
   b. **Indoor or Outdoor Space.** For host cities that are in warmer climates (anticipated daytime temperatures in the 60’s or above) outdoor space will be considered and should be provided as an option. However, in most cases the preferred space would be in an adjacent convention center or large hall which could provide 125,000 square feet of lighted, heated, barrier-free space which is in compliance with all regulations noted above.
c. **Exclusivity.** Confirmation that no agreement or understanding will be made that would entitle any corporation or third party to contract space within the chosen facility or in the same outdoor space as the NCAA fan festival without the approval of the NCAA.

d. **Meeting Space.** At no cost to the NCAA, the facility shall provide 20,000 square feet of meeting room space located adjacent or close to the NCAA fan festival exhibit halls/venue space. Meeting rooms are used for the NCAA fan festival storage, talent green rooms, a cool-down and changing room for USA Wrestling and other purposes as needed.

e. **Utilities.** At no cost to the NCAA or its designee, the NCAA fan festival venue shall provide enough utilities including electrical power, water hookups, internet access for all participants in all areas and phones as needed to execute the event. If the space is outside, the LOC will also take financial responsibility for providing power even if this entails bringing in portable generators.

f. **Stage and Décor.** The local organizing committee or facility shall provide, at no charge, a temporary stage (approximately 20’ x 30’) with risers and roof, if outdoors, for use during the duration of the fan festival. The local organizing committee or facility shall also provide, at no charge, all stage décor necessary to produce stage events. These needs include, but are not limited to: carpeting, pipe and drape, couches, director’s chairs, a podium and decorative plants.

g. **Tables, Chairs, Pipe and Drape.** The local organizing committee or facility shall provide, at no charge, all tables, chairs, pipe and drape for the food service and vendor areas of the fan festival as well as all chairs for the audience in the stage area of the fan festival (approximately 500-2,000 chairs).

h. **Bleachers.** The local organizing committee or facility shall provide, at no charge, bleachers or risers with chairs to accommodate approximately 1,000 fans for unobstructed viewing of USA Wrestling practice and various exhibition matches held at the fan festival.

i. **Drayage.** No charges will be assessed for drayage on incoming and outgoing shipments to and from venue docks or parking lot.

j. **Video/Sound/Public Address System.** Except for use by the facility in the event of any emergency, the NCAA shall retain sole, exclusive and complete control over the video, sound and public-address systems and all other audible or visible information or communication systems in the facility.
k. **Audio-Visual.** The NCAA has the ability to select and contract with an audio-visual company of its choosing. If the NCAA fan festival venue’s audio-visual company is selected, it agrees to provide the NCAA and its designee with a twenty percent (20%) discount on all audio-visual spending.

l. **Security.** The facility shall have a comprehensive security/emergency-situation plan. In addition, at no cost to the NCAA, the facility of the LOC shall provide all security personnel and equipment (e.g. magnetometers, wands, perimeter fencing if outdoors, etc.) deemed necessary by the NCAA after receiving consultation and recommendations from the venue.

m. **Products.** The NCAA, its designated representatives and/or official corporate partners shall have the right to provide complimentary sampling of food and/or beverages and other products/services of its choice at the NCAA fan festival venue without limitation. There shall be no limitations on the size and amount of sampling and no fee shall be required to be paid to a concessionaire or any other party.

The NCAA and its designated representatives shall also have the right to serve food and beverages of its choice inside the volunteer break room, band/performer holding room and all offices occupied by the NCAA or its designated representatives.

The NCAA and its designees, including its official corporate partners, shall have exclusive rights to all food and beverage branding within the venue, including equipment (e.g., vending machines, soft drink fountains, etc.), cups, tableware, etc. Such branding shall have commercial marks as directed and provided by the NCAA (e.g., Coca-Cola, if a corporate partner of the NCAA at the time of the event). In the event the venue has food and beverage branding that is competitive with the NCAA’s official corporate partner, such branding shall be covered at the venue or LOC’s expense.

The NCAA and its designated representatives shall have the right to bring in a restaurant and/or food/beverage category partner(s) (i.e., official NCAA sponsor in the restaurant service, food and/or beverage categories) that will have the ability to distribute and/or sell any size or type of food or beverage. The restaurant, food and/or beverage category partners will not be subject to any sampling restrictions and will retain the revenue from their sales.

The NCAA and its designees shall have no obligation to make any payments to the venue or its concessionaire or any third parties regarding sampling or NCAA restaurant, food and/or beverage category partner sales, or other sales or giveaway by the NCAA or its sponsors or other designees. For clarity, this clause shall apply to the primary NCAA fan festival venue and all adjacent and related areas.
3. **Staffing.**

   a. **Senior Event Coordinator.** The selected venue shall provide one person to serve as the primary point of contact for the NCAA and/or their designated NCAA fan festival production agency. This person’s responsibilities may include, but are not limited to: regular conference calls with the NCAA and the NCAA fan festival production agency, procuring local permits and approvals, arranging local labor, arranging advance shipping options, providing food and beverage vendors, recommending best uses of available space and developing security plans. Primary oversight of the NCAA fan festival will be handled by the NCAA and its designated production agency, however, the venue's senior event coordinator will play an important role in shaping the event to meet the unique needs and opportunities of the facility.

   b. **Local Production Manager.** The local organizing committee shall provide one person to serve as the primary point of contact for the NCAA and/or their designated fan festival production agency and to serve as a local production manager for the fan festival. This person’s responsibilities may include, but are not limited to: procuring the appropriate space, regular conference calls with the NCAA and the fan festival production agency, providing local celebrities and entertainment options, coordinating host displays, coordinating transportation and/or signage guiding fans to the event, and serving as the primary conduit of fan festival information to and from the local organizing committee and host facility. Primary oversight of the fan festival will be handled by the NCAA and its designated production agency, however the local production manager will play an important role in shaping the event to meet the unique needs and opportunities of the host community.

   c. **Staffing.** The facility or local organizing committee shall provide and pay for all services deemed necessary for the NCAA fan festival area by the NCAA or its designee including, but not limited to: security, janitorial services, ticket sellers, ticket takers, a first-aid room staffed by paramedics or other certified emergency medical personnel, maintenance and cleanup for all areas used by the NCAA or its patrons (e.g. restrooms, concession stands). All such personnel are to be under the sole direction and control of the facility or LOC and are not to be considered employees or agents of the NCAA excluding security personnel.

4. **Merchandising.** The NCAA, or its designee, shall have the exclusive right to market and sell products licensed by the NCAA and will administer all souvenir merchandising within the contracted space. The NCAA and its designee shall have no obligation to make any payments to the venue or its concessionaire or any third party regarding merchandising or other products.
5. **Advertising.**

   a. No promotional, public relations, political, marketing, sponsorship, advertising or similar activity shall take place at the NCAA fan festival venue area during the time the venue is leased to the NCAA without the express written advance approval of the NCAA. Without limiting the generality of the LOC/venue obligations in paragraph 5b, immediately below, alcohol, tobacco and gambling related advertising shall be covered at the NCAA fan festival venue at the LOC’s expense.

   b. Unless specifically authorized by the NCAA, no advertising, banners, signs, inflatables, projections, kiosks, promotional areas, decals, window clings, lighting, marketing street teams, branded food and beverage equipment, branded food and beverage equipment logos, brand identification or other displays of any kind shall be hung, posted or displayed anywhere at or adjacent to the NCAA fan festival venue during the dates the venue is leased to the NCAA, other than advertising, banners, signs and television/radio/Internet/sponsor banners and other displays approved in advance by the NCAA or its designee. Any advertising, banners, signs or displays (other than those approved by NCAA in advance) shall be covered by the venue at its (or the LOC’s) expense, as designated by the NCAA.

   c. Except for use by the NCAA fan festival venue in the event of an emergency, the NCAA shall retain sole, exclusive and complete control over the video, sound and public-address systems and all other audio and/or visual information or communication systems in the NCAA fan festival venue.

   d. Without limiting the generality of the NCAA’s other rights stated herein, an NCAA sponsor (or other NCAA designee) shall be permitted to provide recycling bins to be used to collect recyclable materials during the NCAA fan festival (and, unless otherwise agreed with the NCAA, the venue shall be responsible for recycling such bins and their contents).

6. **Promotions and Community Awareness.** The LOC, at its expense, shall work in cooperation with the NCAA and/or its designees to market and promote the event in the local community through a comprehensive cross platform marketing, public relations, digital and media campaign. All LOC promotional efforts shall be subject to the NCAA’s advance review and approval, which may be granted or withheld in its sole discretion.

7. **Parking.** The NCAA requires complimentary space for visitor, staff, contractor and delivery parking.
a. **Tractor-trailer and Box Truck Space.** Space for several tractor-trailers and box trucks to load-in, load-out and, if necessary, park will be provided at the facility at no cost to the NCAA. Since certain tractor-trailers and box trucks may be used as part of a permanent NCAA fan festival display inside of the NCAA fan festival, an adequately sized entry to the facility for these vehicles should also be provided.

b. **Staff and Contractors.** A minimum of 75 parking spaces located near the fan festival shall be provided for staff and contractor parking and will be provided throughout the load-in, event, and load-out at no cost to the NCAA.

c. **Visitors.** It is preferred that free parking also be provided for up to 5,000 visitors. However, if this is not possible, adequate and affordable paid parking must be provided.

8. **Street Closures and Permits (for outdoor venues).** As needed, the LOC shall work with the NCAA or its designees on street closures and permits of any kind. If any streets are deemed necessary to close, the LOC will work with local officials and law enforcement to secure the needed permits and staff required to complete and enact these closures. The LOC and venue shall pay all permitting costs.

9. **Food and Beverage Vendors.** The NCAA or its designee shall control all food and beverage rights at ancillary events. Also, the NCAA may restrict the sale of certain food and beverage products within the ancillary events if they conflict with NCAA corporate champions or partners. For clarity, there shall be no food and beverage buyout required in the ancillary events, and the NCAA shall have the ability to (a) allow its quick-service restaurant or casual dining sponsor to serve food within the ancillary events with no buyout; (b) to bring in selected food trucks or vendors for event guests; and (c) bring into the ancillary events outside food and beverage for staff, crew and volunteer meals if desired. Additionally, the NCAA shall determine in its sole discretion whether alcohol will be sold or distributed at ancillary events. The venue, LOC and/or caterer shall be responsible for any permits unless otherwise directed by the NCAA.

10. **Content Rights.** The NCAA and/or its designee shall have the exclusive rights to produce, capture, reproduce, display, broadcast and otherwise use and distribute all images, photographs, data, footage, information and other content on and of the venue from the NCAA fan festival and all other related events (Content) on all existing and future media outlets and platforms, including, but not limited to television, radio, Internet and mobile/wireless (and the NCAA and its designees shall not be required to pay any fees or other compensation to the venue, the LOC or any other parties with respect to the Content). The NCAA and its designee shall have the sole right and authority to designate usage of all radio and Internet broadcast, television and other media broadcast space and press locations and work areas. Except to the extent otherwise expressly agreed in writing by the NCAA, the venues and the LOC shall have no license or other rights in or
to any Content, and to the extent any Content rights vest in the venue or LOC (e.g., via operation of law), the venue and LOC agree to assign all such rights throughout the world to the NCAA in perpetuity.

11. Public Performance License. The venue shall secure and maintain in place at its cost all music public performance licenses, permits and/or ordinance exemptions necessary to cover all music performed or otherwise played at the venue.

12. Weapons/Firearms. The venue and LOC shall ensure that subject to applicable law, the NCAA shall be permitted to prohibit the possession of firearms, guns or weapons of any kind and remove anyone from the venue who fails to comply with such prohibition. NCAA and its designees will be permitted to post signage and other written communications, and make related verbal communications, at each entry or exit point of the venue for the purpose of informing patrons and other individuals that firearms are not permitted in the venue.

**YOUTH CLINIC**

If requested by the NCAA, the host site shall be responsible for providing space at no charge for and promoting local youth participation in a youth clinic for children ages 10 to 18, which shall be produced by the LOC. Minimal volunteer support staff also may be necessary.

The championships format includes 330 participants competing in 10 weight classes over three days of competition. The NCAA Division I Wrestling Championships shall be conducted in the following 10 weight classes:

- 125 pounds
- 165 pounds
- 133 pounds
- 174 pounds
- 141 pounds
- 184 pounds
- 149 pounds
- 197 pounds
- 157 pounds
- Heavyweight (183-285 pounds)

Brackets are drafted after selections of all individuals for each weight class. Below is a sample bracket-125 Weight Class:
SECTION IV: COACHES ASSOCIATION

The National Wrestling Coaches Association (NWCA) is very involved during the championship’s week. The coaches association conducts numerous meetings, hosts a wrestling clinic for the fans, and is integrally involved in the planning and implementation of activities at the NCAA Fan Festival. The coaches association also presents numerous awards at its NWCA Awards Ceremony. All coaches association activities held in conjunction with the championships are conducted at the discretion of the NCAA and are subject to NCAA approval. Please note, however, that the coaches association does not sponsor its annual convention in conjunction with the championships.

SECTION V: FACILITY REQUIREMENTS

A member institution or member conference of the NCAA must be designated as the host institution/conference for the Division I Wrestling Championships. The administration of the championships is under the authority of the NCAA Division I Wrestling Committee, subject to final authority of the NCAA Division I Championships/Sports Management Cabinet. All activities and events associated with the Division I Wrestling Championships are to be approved by the wrestling committee.

BROADCASTING AND INTERNET

1. **Announce Booth/Announce Position.** The primary television entity shall have free access to first choice of all available television booths or matside table space. The booth or matside power requirements are 12 power outlets at 20 amps each. There shall be a minimum of six seating spaces required for announce positions.

2. **Power Requirements (TV Compound).** Three dedicated services of power (all three phase, 200 amp per leg, 208 volts) for two mobile units or a B-unit and a satellite uplink truck shall be available. An area for parking the mobile unit will be available within 150 feet of the power service closest to the anticipated camera positions or announce booth. This designated area should provide enough room for two TV production trucks 65 feet long by 25 feet wide. There must be room for a third vehicle (Uplink truck) to park in close proximity (within 100 feet) to the primary mobile unit. In addition, the primary television entity must have adequate space in the television compound to install up to three production work trailers. Each trailer requires 220 volt, single phase and 100 amps per leg. If a facility meets all the requirements to host an NCAA championship, but does not have television adequate power, the host site may agree to provide necessary power by means of generators at the expense of the venue, LOC or host school.

3. **Television Truck Parking and Technical Set Up.** Adequate television facilities and space shall
be available at all NCAA championship venues for broadcast partners. If space is available inside the arena (e.g., loading dock area), the primary broadcast entity shall be allowed to park the mobile trucks in that location. The primary televising entity shall be designated the primary announcer position for the broadcast(s). In order to install and set up the necessary technical equipment for the broadcast(s), the television set-up crew must have access to the NCAA championship facilities where camera/audio cables are to run 48 hours prior to the start of the event. Approximately 80 percent of collegiate sporting events are shot from the primary or main game camera position. Whenever possible, the cameras at this position should be placed so that the camera angle to the middle of the mats does not exceed 21 degrees from horizontal.

4. General Guidelines and NCAA Copyright. The NCAA retains exclusive copyright to all audio (natural sound) and video footage (television, radio, Internet, photographs, etc.) to all NCAA championships. Local venues, local organizing committees and/or host schools/conferences must gain written permission from the NCAA broadcast staff to license NCAA championships footage after the completion of the event. This includes any use of an in-house video board system and all audio/video historical recordings of NCAA championships. The television or radio entity that originated the matches must give permission for use of announcer calls of NCAA championships broadcasts.

5. House Cameras. Broadcast entities may wish to use house cameras that some arenas have installed inside and outside the venue to supplement their own video board or in-house production. Venues may charge a fair rental price to the broadcast entity for the use of these cameras.

6. Video Review. Selected NCAA championships (e.g., ice hockey, Division I basketball) require an video review setup. The host venue must work with the NCAA rules liaison and the televising entity to provide an adequate space for the video review system. In some cases, the televising entity will provide all the technical equipment to make this possible. The venue must provide an adequate working space that is NOT in view or close proximity to spectators and media. The television entity may have to provide an ISO monitor and headset to the producer in the primary TV truck. This would be a very similar set up to the courtside timeout coordinator position in a college basketball game.

7. Interview/Headshot/Green Room/Edit System/Off The Mat Set. The venue shall provide an interview area for the primary broadcast entity at no charge. This room shall be used for team headshots and interviews. The room shall have necessary power for television needs (200 amp panel with six dedicated outlets). The venue shall provide a private room to be used for editing with enough power and preferably near the broadcast production room. If the venue has an existing studio, the studio shall be made available at no additional cost. The venue shall provide security for all of the aforementioned rooms and locations.
8. **Lighting.** Light levels in the primary playing area (PPA) should be brightly lit with uniform lighting throughout the area. Vertical light levels (illuminating the sides of the student-athletes) should be maximized without creating severe glare for student-athletes and spectators. The lighting should also provide adequate light levels in the bottom 10 to 15 rows of seats to allow camera operators exciting crowd shots. The target light of NCAA championships for television broadcasting should be a range of 125 to 150 maintained vertical foot candles. The minimum levels should read 125-foot candles. The lighting should be evenly distributed on the PPA. The perimeter of the playing surface should have sufficient spill light into the spectator areas. One of the most important areas of proper lighting at televised sporting events is the smoothness of the lighting levels (this means there are no major jumps in lighting levels when the same camera pans the field).

**Effective September 1, 2002, all potential sites that submit a bid to host a future NCAA championship event must provide a professional lighting survey of their venue or arena.** Some NCAA championship sites are awarded numerous years out and, therefore, the venue must provide a follow-up professional lighting survey to the NCAA at least four months prior to the event. **Professional sports arenas that host NHL, NBA and NFL contests are exempt from this NCAA broadcasting mandate.**

9. **Meal Area/Catering.** If requested, NCAA championship venues must make a best effort to provide an adequate location for the television entity to accommodate crew meals. For the NCAA Wrestling Championships, the television crew includes more than 100 people. The NCAA requests, but will not enforce, that venues waive charges to the television entity for the use of this meal space. Venues will make a good faith effort to provide adequate tables and chairs for the crew meal(s). Television entities shall make a good faith effort to use the primary venue food service provider. Television entities shall be allowed to bring in bottled water, at their own expense, for the television crew.

10. **Mult Box.** The NCAA and its primary broadcast partners shall be the only media entities able to film/tape an NCAA championship when exclusive broadcast television rights have been granted. The primary broadcast entity shall provide an audio/video press mult box for local television stations to take a feed if the broadcast entity has production facilities on site (e.g., mobile unit). Venues need to provide two eight-foot tables and chairs in close proximity to the TV truck for the mult box set up. Venues should provide adequate power based on the NCAA media coordinator’s projected estimate of TV stations that will be at the championships.

11. **Net Return.** Arenas that have cable or DSS should provide the broadcast entity with a house feed at no charge. Most television entities prefer a cable feed due to the shorter delay if the program they are originating is being aired on cable.

12. **Platforms.** Construction of camera platforms and other stadium alterations requested by the
network shall be done at its own expense. The necessary electrical power shall be available to operate the related TV equipment at NCAA championship venues. The televising network shall have the right to install, maintain and remove wires, cables and apparatus as may be necessary for the telecast of the event provided that such items shall not substantially interfere with the use of the venue or arena with the means of ingress or egress.

13. **Power, Lighting and Parking Fees.** NCAA championship venues, local organizing committees and/or host committees, shall not charge the NCAA, or any other televising entity, a fee in connection with the use of the facilities, power, lighting or TV crew parking at the venue. The televising entity shall have the right to request crew parking passes that total up to fifty percent of the total television credentials needed for the event. (Example: If an ESPN wrestling crew totals 40 people, then ESPN can request 20 parking passes).

14. **Radio Frequencies.** All broadcast partners (television and radio) and team scouting devices that have wireless microphone packages must work with local arena radio frequencies requirements. The broadcast partner and teams should contact the local Society of Broadcast Engineers (SBE) coordinator.

15. **Seat Kills.** Should it be necessary to eliminate seating to provide for adequate television coverage, permission will be granted. There will be no charges incurred by the NCAA for the elimination of such seats. The broadcast entity shall pay for these seat kills if the event is sold out.

16. **Telephone Lines.** The primary television entity must also have access to order telephone service at the television compound. Television entities must pay all charges with respect to telephone installation, local charges, long distance charges, disconnection fees and all applicable taxes.

17. **Venue Fees and Union Situations.** NCAA championship venues, local organizing committees (LOC) and/or host committees shall waive any television rights fees normally charged for events staged at such a venue to the broadcast entity (with the exception of union charges which are covered below under venue fees and union situations). The NCAA, and any other television entity, will pay only for services and personnel it deems necessary for the telecast of any round of an NCAA championship. If a “union building” is submitting a bid to host an NCAA championship, the venue must contact NCAA staff to complete an estimate of television union charges in conjunction with the bidding process. The NCAA will provide this information to the appropriate broadcast partner. With respect to union charges, the NCAA and/or broadcast entities will comply with all local unions, but will work to keep costs at a fair and reasonable price for broadcast partners. All union buildings must contact the broadcast entity six months prior to the event with updated rate cards and union policies. The venue personnel in charge of union labor will provide a written estimate to the broadcast entity based upon services needed. The venue must also give an
updated copy of the same estimate to the NCAA. All television union costs will be paid for by the broadcast media entity. The NCAA shall not pay for any television union costs.

*Potential hosts are required to review and satisfy all other broadcast requirements in the NCAA Broadcast Manual.*

COMMERCIAL IDENTIFICATION, SIGNAGE AND OFFICIAL MARKS

1. **NCAA Corporate Champions and Corporate Partners Marketing Program.** The NCAA’s Corporate Champions and Corporate Partners Program (i.e., corporate sponsors of the NCAA), managed by the NCAA along with Turner and CBS Sports, authorizes the exclusive rights to license NCAA trademarks, tickets and taglines in commercial promotions with respect to the NCAA championships.

   The host shall not solicit or permit involvement by any corporations or entities whose products may be in competition with any of the NCAA Corporate Champions or Corporate Partners. All proposed commercial involvement must receive prior approval of the NCAA.

   NCAA Corporate Champions and Corporate Partners (CCPs) are dedicated to emphasizing the role of athletics in higher education, support all 90 NCAA Championships and are granted a wide variety of benefits, including certain category exclusivity around use of NCAA logos, trademarks, designations and championship tickets.

   For more information and a current list of corporate champions and partners, please click on the following link: [NCAA Corporate Champions & Partners](#)

2. **Local LOC Contributor Program.** Currently, local non-CCP corporate entities are not permitted to utilize the NCAA’s registered marks, logos, tickets, name or references to the championship in a promotional/commercial manner. If a host institution/conference has an interest in using value-in-kind contributors, the contributor plan must be approved in advance by the NCAA Corporate Relationships staff. The LOC is permitted to involve a local contributor in the championship only as a sponsor of LOC activities or as a ticket package purchaser (pending NCAA approval of said local entities and approval of the arrangement).

   Local contributors may only be referred to as “local contributors of the LOC.” Local contributors may not use the word “official”, “official sponsor of”, or “corporate champion/partner” in any manner. Local contributors will not receive any in-venue or on-site recognition/branding/exposure, with the exception of small signage in private hospitality locations; in the souvenir (print or digital) game program, and or additional digital advertisement space. In being recognized, these local
contributors must be referenced as supporters of the local organizing committee, and not of the NCAA. Any recognition, branding and/or exposure creative must be submitted to the NCAA Corporate Relationships staff for review and approval.

Local contributors may be provided an opportunity to purchase an advertisement in the souvenir game program, provided the corporation is not a competitor of any NCAA Corporate Champion. All advertisements must be submitted to the NCAA Corporate Relationships staff for advance approval. As noted above, local contributors who purchase an NCAA-approved ticket package may not receive recognition of any kind without the advanced approval of the NCAA staff.

2. No advertisements shall be displayed on the press tables, mat-side tables or head table prior to or during the conduct of the championships.

3. The entire venue within the seating area shall have all signage covered at the facility’s expense. All concourse signage shall ideally be covered, but at a minimum, all signs must not be backlit.

4. Any professional sports or commercial insignia in the suites that can be seen from the general seating area must be covered or removed at venue or host expense. Any sponsor or commercial marks on cup holders must be covered or removed at venue or host expense. Professional sports logos or marks on cup holders or anywhere on the seats can remain.

5. If the official name of the competition venue includes a commercial reference, the NCAA shall have sole discretion regarding the display of the venue name inside the seating area. Should the NCAA direct any or all commercial-naming references to be removed or covered, this shall be done at venue or host expense.

6. No on-site signage, including but not limited to:

The facility agrees that no advertisements denoting, publicizing or promoting the sale of alcoholic beverages, cigarettes and tobacco products, professional sports organizations, or organizations or individuals promoting gambling shall be hung, installed or displayed anywhere within the facility during the term of the rental period. Any such advertisements in the facility existing at the time an agreement is reached between the NCAA and institution/conference/sponsoring agency shall be covered during the rental period.

The NCAA, its corporate champions and partners and others with permission from the NCAA shall be entitled to distribute, within the designated area(s), approved promotional items, including but not limited to flyers, giveaways and product samples, regardless of exclusive sponsor contracts of the host or competition venue. SECTION VI: LODGING SPECIFICATIONS

The NCAA has partnered with Anthony Travel, Inc. to manage the NCAA Championship Housing Program and all championship housing needs. Anthony Travel serves as the housing partner for hundreds of events annually and, through strong relationships with various hotel brands, is able to deliver the appropriate mix of amenities, location and price for hundreds of thousands of room nights each year. Utilizing their expertise, Anthony Travel will be responsible for managing the selection and contracting process for all championship housing accommodations.

Housing will be required for all participating teams, NCAA staff, committee members, media, game
officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

**Host Institution/Conference/Sponsoring Agency Obligations**
The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the Sport Specific Bid Specification. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties Anthony Travel should consider when contracting. Properties considered by Anthony Travel and the NCAA must meet the required service levels, room type needs, amenities, and proximity to venues required by the specific championship. Bid responses should disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

**The Contracting Process**
During the bid evaluation process, the host institution/conference or sponsoring agency may be contacted by Anthony Travel to obtain additional information on their housing recommendations. Once the bid is awarded, Anthony Travel will manage a request for proposal (RFP) process to evaluate, secure and contract all hotels for the necessary room blocks and sports specific housing needs. Housing recommendations provided in the bid specifications will be taken into consideration; however there is no guarantee that these properties will be contracted. Prior to being finalized, housing recommendations will be presented to the NCAA to obtain feedback/input. All hotel contracts will be drafted using a standard contract template and signed by the NCAA. Information related to the room blocks and housing will be communicated on a timely basis to the host institution/conference or sponsoring agency and the participating teams.

Each team will be responsible for making their housing reservations and providing final rooming lists. In making housing arrangements, NCAA rules state once the teams/qualifiers have been determined and assigned to their hotel, the reservations should be reconfirmed in the names of the institutions; and
thereafter, the institutions shall be responsible for the reservations. Participating institutions are ultimately responsible for the rooms reserved by the NCAA / Anthony Travel.

Please refer to sport-specific bid documentation for additional specific championship housing needs and expectations. A sample housing contract has been included in this document.

SECTION VII: MEETING/BANQUET SPACE & HOSPITALITY NEEDS

Additional space is also needed in the arena and at the headquarters hotel during the week of the event. There are some functions as well at the headquarters and team hotels. Information kiosks should also staffed in various hotels by the local organizing committee to provide information to the participants and spectators in attendance. All the hotels used in an official capacity shall block meeting space in their property from Tuesday – Saturday. As such, all of this meeting space shall be provided to the NCAA on a complimentary basis.

Coaches. A hospitality room at the competition venue must be setup for the coaches of the participating teams. Coaches hospitality will be provided. Tight security for admittance to and from this area is required. For meals, credentials either should be punched or another system developed (e.g., meal cards created) to prevent people from eating more than one meal.

Volunteers. Due to the large number of “volunteers,” food should be provided for the hospitality room along with soda (Coca-Cola products only), water and snacks. For meals, credentials or a meal card should be punched to prevent people from eating more than one meal.

Media. Media hospitality is important, particularly for the Division I Wrestling Championships. Due to the large number in attendance, a separate area away from the coaches’ hospitality and the general public should be designated. Tight security for admittance to and from these areas is required. For meals, credentials or a meal card should be punched to prevent people from eating more than one meal. Snacks, water, coffee and Coca-Cola products should be available at all times for the media.

Committee and Staff. A meeting room in the facility shall be provided for the wrestling committee and national office staff. Snacks, Coca-Cola products and meals should be available for the committee and NCAA staff.

Referees. Meals and refreshments should be provided for the referees in or near their respective meeting/locker rooms.

Student-athlete. Space should be provided with several microwave ovens, toasters, and tables/chairs for the student-athletes to gather. Seating for 100 would be ideal. The student-athlete hospitality lounge should be fully stocked to accommodate the 330 wrestlers each morning following weigh-ins with fresh fruit, bagels and spreads, yogurt, granola, cereal, and multigrain bars.
NCAA Experience Hospitality. The NCAA reserves the exclusive right to create and sell “NCAA Experience” hospitality packages (which may include tickets) for the championships and any ancillary events. The competition venue shall hold all space for possible hospitality use at no cost and subject to no food and beverage minimums. This space, preferably, shall be within the ticketed area. If no appropriate space exists within the ticketed area, the host shall offer alternate off-site options for hospitality in close proximity to the competition venue. The distribution of alcohol may be permitted only if logistics of security are reviewed and approved in advance by NCAA staff. Any hospitality packages contemplated by the LOC/host must be approved in advance by the NCAA.

1. **Ticket Design/Printing.** The NCAA will manage the design and printing for championship tickets, assigning specific duties to the LOC/host and competition venue as needed. The NCAA will forward artwork of the proposed ticket design to the LOC/host and competition venue for review and input. The NCAA logo shall be the only logo used on the front or back of the tickets unless specifically authorized by the NCAA. The name of the host institution/conference may be printed on the front of the ticket(s) and/or on the cover of the ticket booklet. The NCAA will coordinate the printing of the tickets unless the NCAA directs the LOC/host or competition venue to coordinate the printing. The LOC/host shall incur all expenses associated with ticket printing.

2. **Ticket Pricing.** With input and a recommendation from the LOC/host, the NCAA shall establish all ticket prices, including tickets for suites and standing room only. One hundred percent (100%) of the revenues from ticket sales shall be included in the championships receipts to help offset the NCAA guarantee, championship expenses, and further revenue sharing opportunities. As further noted in Section VII - Government Guarantees, revenue from the sale of championship tickets and championship-related event tickets will be exempt from sales, amusement, entertainment taxes and other surcharge obligations to the extent possible. The NCAA is a 501c(3) tax exempt organization and the bid respondents shall specify any state or local tax exemption that will be granted to the NCAA. If a tax exemption is not applicable, then all applicable taxes and rates shall be disclosed (disclose in the sport-specific facility questionnaire) and any increases in the tax rates from the time the bid submission shall be absorbed by the bid respondent or rebated back to the NCAA if bid respondent is approved for a NCAA championship.
3. **Control of Ticket Sales.** The NCAA shall control all ticket sales for the championship, assigning specific duties to the LOC/host and competition venue as needed. The LOC/host and competition venue shall cooperate fully with the NCAA’s official ticketing vendors and/or ticketing partners (e.g., primary ticket sales system provider, official ticket and hospitality package provider, official ticket exchange). The NCAA shall not be responsible for securing an exemption to any exclusive contracts the LOC/host, competition venue or surrounding areas/facilities might have, nor will the NCAA be responsible for any buyout or other means necessary to secure such an exemption.

Admittance to the competition venue on game days will be by ticket or NCAA-issued credential only. Every person, two years of age and older, must have a ticket to enter the facility. Entry will be at the facility’s discretion, unless proof of age is provided. Those under two must be accompanied by a person with a valid admission ticket. Unless specifically granted an exception, the NCAA requires that the competition venue utilize a ticket scanning system at all general public access points into the competition venue. The host venue system will be used for access control, box office walk up sales and day of event issue resolution in the box office.

4. **Control of Venue Seating.** The NCAA shall control all seating assignments within the competition venue, including club seating, press boxes, hospitality clubs and restaurants.

The NCAA shall be responsible for determining the allocation and the location of all ticket allotments.

The LOC/host or competition venue may not re-sell allotted championship game tickets at any price, nor may enter into a sponsorship agreement or hospitality/travel package agreement with any ticket broker, tour packager or other secondary ticket marketer to provide championship tickets in return for other considerations unless specifically authorized by the NCAA.

5. **Suites.**

   a. At the time of the bid, the competition venue shall stipulate a minimum of two private viewing suites available for the sole use of the NCAA or its designees. Preferred consideration will be given to those sites offering additional suites for NCAA use. All revenue from such suites will belong to the NCAA.

   c. Subject to NCAA approval, suites not made available to the NCAA or its designees shall remain under the control of the competition venue, but the face value ticket revenue for such suite seats will belong to the NCAA.
d. Suite holders will have the opportunity to purchase tickets for the suite to which they have purchased tenant rights. The venue’s box office staff if assigned by the NCAA, shall solicit and confirm suite purchases by suite holders. At that time, suites not purchased by suite holders will be made available to the NCAA for additional use/sales opportunities in accordance with the agreed upon financial parameters.

6. **LOC/Host Ticket Policies.**

a. **Allocation.** The NCAA shall allocate to the LOC/host a maximum of 10% of the saleable competition venue seats. These tickets shall be used to accommodate LOC/host guests, including but not limited to local contributors. The LOC/host shall be responsible for the cost of allocated tickets.

b. **Budget Relief.** At its sole option, the NCAA shall notify the LOC/host of certain budget relief that may be provided in exchange for a reduction in the LOC/host ticket allotment.

c. **Ticket Allocation Limitation.** No more than 20 tickets shall be made available from the LOC/host or competition venue to any one entity without NCAA approval.

d. **Assignment Information.** The LOC/host shall provide the NCAA with the names of those individuals assigned to each seat within the LOC/host’s ticket allocation.

7. **Competition Venue Responsibilities.**

a. **Seating Manifest.** At the time of the bid, the competition venue shall forward the NCAA a complete ticket manifest with a PDF or CAD drawing of the venue’s configuration and cooperate fully with any NCAA ticketing partners.

b. **Broadcast Partner Site Survey.** The NCAA’s broadcast partner, in conjunction with the NCAA and the competition venue, will conduct a site survey approximately nine months in advance of the championship to determine the host set location, camera locations and determine the need for “seat kills.”

c. **Final Manifest.** Upon completion of the site survey and determination of “kill” seats, the competition venue shall provide the NCAA with a final seating manifest, reflecting all saleable seats, available suites and available hospitality/party suites.

d. **General Public Assignments.** Subject to NCAA approval, the assignment of general public seats is the competition venue box office’s responsibility, unless directed otherwise by the NCAA. The seat locations shall be designated by the NCAA. The competition venue must be
in compliance with all applicable city, state or federal laws and regulations including those concerning access and seating for the disabled and assist with inquiries from ticket holders in need of disabled tickets. Additionally, the box office shall assist with all lost, stolen, or misdirected ticket issues. The competition venue shall be responsible for the labor necessary, as well as costs incurred, to process and distribute lost, stolen, or misdirected tickets.

e. **Sales Reports.** The competition venue’s box office shall be responsible for providing the NCAA with timely and accurate sales reports. The NCAA shall be responsible for determining the schedule in which reports will be received from the competition venue’s box office. The competition venue’s box office shall cooperate fully with the NCAA’s official ticketing vendors and/or ticketing partners in providing the reports.
