SECTION I: INTRODUCTION

The National Collegiate Athletic Association ("NCAA" and/or "Association") is pleased to provide to member institutions/conferences the opportunity to submit a proposal to host one or more NCAA championships.

The information contained in this document and the accompanying attachments provides the minimum bid specifications for hosting any of these championships, as well as essential information that will provide assistance in the development of a creative, comprehensive and competitive bid proposal. The administration of the championship is under the authority of the respective sports committee subject to final authority of the NCAA DIII Championships Committee. SECTION IV: LODGING

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials and other special guests as designated by the NCAA. Game officials and teams may not stay in the same hotel. The NCAA committee, staff and special guests will be assigned to the headquarters hotel, which may be the same hotel as the teams, the same hotel as the officials or a separate hotel. Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sport specific bid specifications. Properties must meet the required service levels and be in reasonable proximity to the event venue.

Anthony Travel will be responsible for contracting all hotel rooms for the championship. Prospective hosts should not secure or contract rooms or discuss room rates with specific properties, unless requested to do so by the NCAA. Prospective hosts may highlight in their bid responses any recommended properties Anthony Travel should consider when contracting. Every effort should be made to identify hotel properties with complimentary breakfasts, complimentary Internet access and complimentary parking. Bid responses also should disclose any special relationships, agreements and/or financial arrangements prospective hosts may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying with all requirements included in the sample contract.
