INFORMATIONAL ITEMS.

1. **Review of NCAA Division I Football Oversight Committee October 1 and 5 2020, Report.** The Football Oversight Committee reviewed and approved its October 1 and 5, 2020, videoconference report.

2. **NCAA Division I Governance Update.** Amanda Conklin, director of Division I governance, provided the Football Oversight Committee with an update on NCAA Division I Council's October 14, 2020, videoconference.

3. **Issues Related to the Impact of COVID-19 and Remote Coaching.** The Football Oversight Committee discussed the current playing rules that restrict a coach's participation in remote coaching activities while quarantined due to COVID-19. The Football Oversight Committee directed the NCAA Division I Competition Oversight Committee to review the remote coaching playing rules to determine if flexibility is appropriate during the COVID-19 pandemic.

4. **Review of Midyear Enrollee Legislation.** The Football Oversight Committee revisited the issue of whether a midyear enrollee (e.g., a student-athlete initially enrolling at an institution for the spring 2021 term) should be eligible to compete in regular season and/or postseason football contests that occur before or during the student-athlete's initial term of full-time enrollment at the institution. The Football Oversight Committee recommends a subgroup of committee members review the legislation to determine if adjustments should be made to NCAA Proposal No. R-2020-17 or if legislative relief waiver flexibility is appropriate.
