DII NON-COUNTABLE OPPONENTS

Last Updated: August 12, 2026

NCCAA Members that are dually affiliated with CCAA, NAIA, or NCAA should follow their primary affiliations non-countable opponents list.

Below is a list of institutions that do not satisfy the requirements of a countable opponent. The following institutions have been evaluated and contests against these opponents will not be included in statistics, won-loss records, and power ratings. These opponents may only be scheduled for scrimmages and exhibitions. This is not an exhaustive list. It is an institution's responsibility to research if an opponent is countable or not.

For games to be considered countable (e.g. included in statistics, won-loss records, and coaching records), all of the following must be true:

a. The institution must be a two-or four-year degree granting institution.

b. The team must be a varsity program.

c. The institution must also meet one of the following:

1. Be a member of the NCCAA, NCAA, NAIA, CCAA, NJCAA, or Canadian U Sports.
2. Must be accredited by one of the six recognized accrediting bodies in the U.S., or Universities Canada, or with ABHE or TRACS.

NAME	LOCATION	NOTE
Apprentice School	Newport News, Virginia	Does not meet accreditation or membership requirements
Atlantis University	Miami, Florida	Does not meet accreditation or membership requirements
Barber-Scotia College	Concord, North Carolina	Does not meet accreditation or membership requirements
Blue Lights College	Apex, North Carolina	Does not meet accreditation or membership requirements
California Christian University	Victorville, California	Does not meet accreditation or membership requirements
California Intercontinental University	Irvine, California	Does not meet accreditation or membership requirements
California Intercontinental University	Sioux Falls, South Dakota	Does not meet accreditation or membership requirements
California Miramar	San Diego, California	Does not meet accreditation or membership requirements
California Tribal College	Sacramento, California	Does not meet accreditation or membership requirements

Carver College	Atlanta, Georgia	Does not meet accreditation or membership requirements
Central International University	Lynchburg, Virginia	Does not meet accreditation or membership requirements
Central International University	Richmond, Virginia	Does not meet accreditation or membership requirements
