Dear Ms. Wagenman:

I am writing in response to the Curriculum Vitae for Lois Churchill that was forwarded to our office for approval of an instructor for the New York State mandated Child Abuse coursework provided by your organization. Ms. Churchill's credentials reflect sufficient expertise and experience to present this coursework.

This information has been noted in your file in the Office of Professional Education Program Review. If you have further questions, please contact Professional Education Program Review at (518) 474-3817 ext 360.

Sincerely,
