

NursingCE: Human Trafficking: Global Problem and Challenge to Professional Nursing

Release date: July 16, 2018

Expiration date: July 16, 2021

Estimated time to complete activity: 2 hours

Overview

NursingCE provides a high-quality, effective, and comprehensive way for license practical nurses, registered nurses and nurse practitioners to earn their state-required CNE credits in a clear online format.

A course on evidence-based practice provides current content intended to help practicing nurses apply this knowledge to their practice. The course also includes questions to test competency.

Target Audience

The target audience consists of registered nurses and nurse practitioners.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Identify the Iowa Mandatory Training Expectations
- Describe the definitions of child abuse and dependent adult abuse according to Iowa Code and categories.
- Describe the categories of abuse (child and dependent adult)
- Describe the physical, emotional, and environmental indicators for abuse.
- Explain the reporting requirements and process, including documentation.
- Identify mandatory reporter in Iowa
- Describe reporting confidentiality, immunity and penalties for failure to review.
- Identify risk factors related to child and dependent adult abuse.
- Identify the state agency that investigates allegations of child maltreatment.
- Describe barriers that contribute to under recognition and underreporting of suspected cases of child maltreatment.
 - Describe the role of the sexual assault nurse examiner.
 - Define the terms, medical neglect, educational neglect, emotional neglect, economic abuse, and abandonment.
 - Explain how parent substance use disorder affects the child.
 - Identify risk factors for child maltreatment.
 - Identify protective factors that reduce the risk of child abuse
 - Describe actions the nurse should take when assessing a child when abuse is suspected.
 - Explain how to document the care of a child who has a physical injury and physical abuse is suspected.
 - Identify the components of primary, secondary, and tertiary prevention levels of intervention.
 - Discuss actions for the nurse to take when experiencing moral distress.
 - Locate the Iowa Resources to report suspect abuse.

Accreditation and Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the joint-providership of Assessment Technologies Institute (ATI) (provider) and NursingCE.

ATI is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity is provided for a maximum of 2 contact hours under ANCC criteria.

Commercial Support

None

Faculty and Planners Disclosure Statement

All planners and faculty participating in continuing education activities provided by ATI are expected to disclose to the audience any support or relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporters of the activity. In addition, all faculty are expected to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation. The planners and faculty have been advised that this activity must be free from commercial bias, and based upon all the available scientifically rigorous data from research that conforms to accepted standards of experimental design, data collection, and analysis.

The following speakers and planning committee members listed below have stated they have no financial relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporter of this activity.

- Frances D. Monahan PhD, RN, ANEF
- Charlene M. Romer, PhD, RN, CNE
- Karin Roberts, PhD, RN, CNE

Method of Participation to Earn CNE Credit(s)

Learner pays the appropriate fee for participating in and receiving credit for this online educational activity. In order to obtain credit for participating in this activity during the period of July 9th, 2018 through July 9th, 2021, participants must:

1. Read the educational objectives and disclosure statements
2. Review the appropriate modules. Participants may make corrections to incorrect responses as needed.
3. Upon completion of entire module, learner may receive 2 credits
4. Submit the online evaluation to NursingCE

Credit will be issued only upon completion of the exam questions with a score of 80% or higher and activity evaluation. After completing this information, you will be able to print out your credit certificate. This activity should take up to 2 hours to complete. Credits are redeemable in 1 hour increments.
