

Hyperemesis Gravidarum

Release date: October 7, 2019

Expiration date: October 7, 2022

Estimated time to complete activity: 2 hours

Overview

NursingCE provides a high-quality, effective, and comprehensive way for license practical nurses, registered nurses and nurse practitioners to earn their state-required CNE credits in a clear online format.

A course on evidence-based practice provides current content intended to help practicing nurses apply this knowledge to their practice. The course also includes questions to test competency.

Target Audience – Registered Nurses, LPNs, and APRNs who provide care for patients at risk for or diagnosed with hyperemesis gravidarum.

Learning Objectives

Upon completion of this activity, participants should be able to:

1. Demonstrate a basic understanding of the defining characteristics of the disorder hyperemesis gravidarum.
2. Identify the incidence of hyperemesis gravidarum in pregnancy.
3. Discuss the principles of anatomy and physiology associated with hyperemesis gravidarum.
4. Demonstrate understanding of the theories explaining the pathophysiology of hyperemesis gravidarum.
5. Discuss the signs and symptoms associated with the disorder of hyperemesis gravidarum.
6. Identify the individuals most at risk for developing hyperemesis gravidarum in pregnancy.
7. Describe methods to diagnose hyperemesis gravidarum in pregnancy.
8. Recognize current treatment options used in hyperemesis gravidarum.
9. Identify current literature discussion on the needs for future research on hyperemesis gravidarum in pregnancy.

Accreditation and Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the joint-providership of Assessment Technology Institute (ATI) (provider) and NursingCE.

ATI is accredited as a provider of continuing nursing education by the ANCC.

This activity is provided for a maximum of (2) contact hours under ANCC criteria.

Commercial Support

None

Faculty and Planners Disclosure Statement

All planners and faculty participating in continuing education activities provided by ATI are expected to disclose to the audience any support or relationship(s) with providers of commercial products and/or devices discussed in this

activity and/or with any commercial supporters of the activity. In addition, all faculty are expected to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation. The planners and faculty have been advised that this activity must be free from commercial bias, and based upon all the available scientifically rigorous data from research that conforms to accepted standards of experimental design, data collection, and analysis.

The following speakers and planning committee members listed below have stated they have no financial relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporter of this activity.

- Nancy Urrutia, EdD, MSN
- Megan Roberts, FNP
- Deborah Long, DNP
