

Weight Bias & Obesity Stigma in Healthcare

Release date: December 13, 2019

Expiration date: December 13, 2022

Estimated time to complete activity: 2 hours (120 minutes)

Overview

NursingCE provides a high-quality, effective, and comprehensive way for license practical nurses, registered nurses and nurse practitioners to earn their state-required CNE credits in a clear online format.

A course on evidence-based practice provides current content intended to help practicing nurses apply this knowledge to their practice. The course also includes questions to test competency.

Target Audience: Nurses, nursing assistants, advanced practice nurses/nurse practitioners, nurse educators, clinical nurse specialists, social workers, case managers, nutritionist/dietician, physical therapists, any medical healthcare personnel that care for and interact with patients with obesity.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Describe the obesity epidemic and classifications for body mass index (BMI).
- Distinguish between weight bias, obesity stigma, weight discrimination, implicit bias and explicit bias.
- Identify the consequences of weight bias and obesity stigma in healthcare.
- Identify evidence-based obesity guidelines and list strategies to reduce bias and inequities in obesity prevention and care.

Accreditation and Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the joint-providership of Assessment Technology Institute (ATI) (provider) and NursingCE.

ATI is accredited as a provider of continuing nursing education by the ANCC.

This activity is provided for a maximum of (2) contact hours under ANCC criteria.

Commercial Support

None

Faculty and Planners Disclosure Statement

All planners and faculty participating in continuing education activities provided by ATI are expected to disclose to the audience any support or relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporters of the activity. In addition, all faculty are expected to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation. The planners and faculty have been advised that this activity must be free from commercial bias, and based upon all the

available scientifically rigorous data from research that conforms to accepted standards of experimental design, data collection, and analysis.

The following speakers and planning committee members listed below have stated they have no financial relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporter of this activity.

- Faith Selchick DNP
- Deborah Long, DNP
- Megan S Roberts, FNP

Method of Participation to Earn CNE Credit(s)

Learner pays the appropriate fee for participating in and receiving credit for this online educational activity. In order to obtain credit for participating in this activity during the period of December 13, 2019 through December 13, 2022, participants must:

1. Read the educational objectives and disclosure statements
2. Review the appropriate modules. Participants may make corrections to incorrect responses as needed.
3. Upon completion of entire module, learner may receive (2) credits
4. Submit the online evaluation to NursingCE.

Credit will be issued only upon completion of the exam questions with a score of 80% or higher and activity evaluation. After completing this information, you will be able to print out your credit certificate. This activity should take up to (2) hours to complete. Credits are redeemable in 1 hour increments.
