

## **Behavioral Health Nursing: From Daily Basics to Full Accreditation**

**Release date: December 13, 2019**

**Expiration date: December 13, 2022**

Estimated time to complete activity: 2 hours

### **Overview**

NursingCE provides a high-quality, effective, and comprehensive way for license practical nurses, registered nurses and nurse practitioners to earn their state-required CNE credits in a clear online format.

A course on evidence-based practice provides current content intended to help practicing nurses apply this knowledge to their practice. The course also includes questions to test competency.

### **Target Audience**

LPNs and RNs who may be interested in or considering a career in behavioral health nursing.

### **Learning Objectives**

- 1.) Identify and understand the Joint Commission standards for behavioral healthcare.
- 2.) Identify Joint Commission National Patient Safety Goals.
- 3.) Explore and discuss ways the facility can prepare for a Joint Commission survey.
- 4.) Explore the care shortage and demand for nurses within the behavioral health setting.
- 5.) Identify common diagnoses seen within the behavioral health setting.
- 6.) Identify and understand strategies and interventions the nurse can take to maintain a safe environment.
- 7.) Identify and explore indications for admission to an inpatient behavioral health facility.
- 8.) Explore and identify indications for discharge from an inpatient behavioral health facility.

### **Accreditation and Designation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Nurses Credentialing Center's Commission on Accreditation (ANCC) through the joint-providership of Assessment Technology Institute (ATI) (provider) and NursingCE.

ATI is accredited as a provider of continuing nursing education by the ANCC.

This activity is provided for a maximum of 2 contact hours under ANCC criteria.

### **Commercial Support**

None

### **Faculty and Planners Disclosure Statement**

All planners and faculty participating in continuing education activities provided by ATI are expected to disclose to the audience any support or relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporters of the activity. In addition, all faculty are expected to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation. The

planners and faculty have been advised that this activity must be free from commercial bias, and based upon all the available scientifically rigorous data from research that conforms to accepted standards of experimental design, data collection, and analysis.

**The following speakers and planning committee members listed below have stated they have no financial relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporter of this activity.**

- Christine Karn, MSN
- Deborah Long, DNP
- Megan Roberts, FNP

### **Method of Participation to Earn CNE Credit(s)**

Learner pays the appropriate fee for participating in and receiving credit for this online educational activity. In order to obtain credit for participating in this activity during the period of December 13, 2019 through December 13, 2022, participants must:

1. Read the educational objectives and disclosure statements
2. Review the appropriate modules. Participants may make corrections to incorrect responses as needed.
3. Upon completion of entire module, learner may receive 2 credits.
4. Submit the online evaluation to NursingCE.

Credit will be issued only upon completion of the exam questions with a score of 80% or higher and activity evaluation. After completing this information, you will be able to print out your credit certificate. This activity should take up to 2 hours to complete. Credits are redeemable in 1 hour increments.
