Commercial Support

None

Planning Committee Disclosure Statement

All those participating in the planning and production of continuing professional development activities administered by NursingCE are expected to disclose to the audience any support or relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporters of the activity. In addition, all planning committee members are expected to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation. All planning committee members have been advised that this activity must be free from commercial bias and based upon the best available scientifically rigorous data from research that conforms to accepted standards of experimental design, data collection, and analysis.

The following speakers and planning committee members listed below have stated they have no financial relationship(s) with providers of commercial products and/or devices discussed in this activity and/or with any commercial supporter of this activity.

- Deborah Long, DNP
- Megan S Roberts, FNP
- Faith Selchick, DNP

Learners must pay the appropriate fee for participating in and receiving credit for this online educational activity. To obtain credit for participating in this activity, participants must:

1. Read the objectives, disclosure statements, and educational material in its entirety.
2. Complete the associated exam questions with a score of 80% or higher.
3. Submit the corresponding online evaluation to NursingCE.

After completing this information, learners will be able to print out their certificate of completion.

Disclaimer

The opinions expressed in the enduring educational activity are those of the faculty. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings. Further, attendees/participants should appraise the information presented critically and are encouraged to consult appropriate resources for any product or device mentioned in this program.

Privacy Policy

At NursingCE.com, we care about providing you with tools and information to manage and protect your online privacy. We retain records solely for keeping records in accordance with ANCC policies. We will not share your information with any other organizations.
