## ONE NAME YOU CAN COUNT ON

Whether you're powering a sporting event, or supporting recovery efforts following a hurricane, your Cat® dealer has the equipment to help you solve the challenge. As part of the Caterpillar® dealer network, your local Cat dealer has access to a vast rental fleet of power generation and temperature control equipment specifically designed to meet the requirements of commercial, industrial, institutional and manufacturing applications, capable of supporting even the most critical operating systems.

Whether you're dealing with an emergency, or planning ahead for scheduled downtime, Cat Standby Power equipment can be on its way in minutes. **Visit us online today at [www.NECatDealers.com/power](http://www.NECatDealers.com/power)**
