WINTER All-Academic Team - March 18, 2020

FOR IMMEDIATE RELEASE

NESCAAC Winter All-Academic Team Released

HADLEY, Mass. – A total of 969 student-athletes have been named to the 2020 NESCAAC Winter All-Academic Team. To be honored, an individual must have reached sophomore academic standing, and be in good standing in their sport with a cumulative grade point average of at least 3.50 or equivalent on a 4.0 scale. Transfers must have completed one year of study at the institution.

Of the 969 student-athletes named to the team, 209 were honored for the second time in their career, while 207 were recognized for the third time. In addition, 59 members of the group garnered both All-Academic and All-NESCAAC accolades this winter, led by 17 student-athletes from Williams. A total of 39 individuals were named to both the All-Sportsmanship and All-Academic Teams.

Nine individuals were selected to all three squads. That elite group included sophomore **Scott Romeyn** (men's swimming & diving) of Amherst, senior **Nick Ursitti** (men's ice hockey) of Hamilton, junior **Virginia Schaus** (women's squash) and senior **Jacob Ellen** (men's squash) of Middlebury, and seniors **Katie Brule** (women's basketball) and **Will Means** (men's squash) as well as juniors **Gwyneth Maloy** (women's swimming & diving), **Gabrielle Mercier** (women's swimming & diving), and **Julia Ward** (women's squash) of Williams.

Founded in 1971, the New England Small College Athletic Conference (NESCAAC) consists of 11 liberal arts colleges and has consistently reflected its commitment to the values of athletics and academic achievement. The member colleges of the conference are Amherst College, Bates College, Bowdoin College, Colby College, Connecticut College, Hamilton College, Middlebury College, Trinity College, Tufts University, Wesleyan University, and Williams College.

NOTE: The All-Academic lists were provided by the athletic communications offices at each institution.

Amherst (105)

Peter Baird	Men's Swimming & Diving	So.	Rockville, Md.
