

Reaching Hispanics: ~ Our Neighbors ~

April 23, 2011

¿Habla Español? Si, mejor.

(Do you speak Spanish? Yes, better.)

Our Accomplishment: We make no claims of being anywhere near fluent but we made great progress at language school. We “graduated” on Wednesday, April 20 with 300 class hours studying Spanish.

Our Arrival: We arrived back in the United States (los Estados Unidos) on Thursday, April 21. Though it feels strange to be back (it’s so quiet here) we are eager to get busy in our ministry here in the U.S..

Our Appreciation: We are so grateful for the opportunity to concentrate on learning Spanish the past four months. Many of you graciously gave to this project—we are humbled by your finances and prayers for this part of our ministry.

Gracias por sus oraciones!

(Thank you for your prayers!)

Smiles on graduation day - a lot of work accomplished!

Our graduating class at language school with missionaries heading to 13 countries.

At graduation, Herb spoke words of appreciation (in Spanish) to the teachers on behalf of the students.

REMEMBERING OUR PURPOSE:

Planting: establishing Hispanic (bilingual) Baptist churches

Partnering: assisting established churches in developing Hispanic ministries

Preparing: training Hispanic church leaders for future ministry
