

# FLEET SERVICES

## The #1 Tarp System Brand is Now #1 in Fleet Services!

Since joining the Shur-Co family in 2023, AAA Tarps has enhanced efficiency and expanded our mobile tarp service and support beyond our Spartanburg, SC, roots to a nationwide reach. Now as **Shur-Co Fleet Services**, we're more equipped than ever to deliver best-in-class, long-lasting solutions. Our fleet-direct business is focused on providing top-tier covering and load-securement products, service, and support—tailored specifically for large truck and trailer fleets across the U.S.

### The Shur-Co Fleet Services Promise and Commitment to...

#### EXCELLENCE

Leveraging Shur-Co's leading reputation for innovation, quality, and performance, Shur-Co Fleet Services delivers even greater end-to-end value for fleet customers. Expect the best in:

- Design and manufacturing
- Packaging and delivery
- Installation, repair and maintenance

#### YOUR FLEET

We're not stopping at truck and trailer tarps. Look to **Shur-Co Fleet Services** for all-things related to the protection and safety of your fleet's cargo and operators:

- Cargo control solutions
- Landfill covers
- Integrated electronic controls for tarps, tailgates, walking floors
- And more!

### A No-Brainer for Long-Term Fleet Success

#### HIGH-PROFILE, WINNING TRACK RECORD

Shur-Co Fleet Services has long-standing relationships with, and provides parts and services to, top Nationwide Refuse and Recycling fleets in the country.

#### UNMATCHED EXPERTISE

Our technicians and product specialists are proud of crafting just-right solutions and entirely focused on tarps, tarp systems, repairs, and installations. Shur-Co Fleet Services is your first and last stop for:

- Complete tarp system installation or replacement
- Custom tarp fabrication and replacement
- Tarp motor and switch replacements
- Arm, spring, and tarp roller replacements
- And so much more!

#### HERE FOR THE LONG HAUL—AND YOUR LONG-TERM SUCCESS

Backed by 60+ years of customer-centric innovation, you can count on **Shur-Co Fleet Services** for reliable service and support and high-performance products that withstand the most demanding applications. That's next-level assurance of safer fleet operations and a higher return on your business investment.
