Dear Pastors,

April 17, 2023

Good morning! We had a great day yesterday as a church family. I trust Sunday was fruitful for you as well.

I have attached a poster for our annual men's work retreat at the camp. The dates are May 19-20, and our speaker is Michael Miller from Foundations Baptist Church just north of the border in Calgary. I'm looking forward to the fellowship and the spiritual encouragement as we gather together. I believe that as men, we often underestimate the value of times like this. Ladies get it - they talk and fellowship on a regular basis. As men, we get so busy with life that we don't often cultivate strong relationships with other men where we rub shoulders and sharpen each other. Let's encourage our men to attend!

We usually kick things off around 1:30 on Friday for those that can make it that early. Otherwise, come when you can. The official registration will take place at supper, which starts around 6:30.

We are still finalizing our list of projects, and I plan to have that out to you next week. If you think of a need to address or a project to tackle, please let me know and I'll add it to the list.

Thanks for getting the word out. I look forward to seeing each of you at the retreat.

For His Glory!!
