2021 Summer Reading Challenge Log

How the Reading Challenge works:

Any one, any age, who reads or is read to, may participate. The Challenge runs June 14 to August 14. Prize winners will be contacted and posted on our website Tuesday, Aug. 17.

READ! Keep track of the time you spend listening to or reading **BOOKS**** on your Summer Reading Challenge Log. They're available beginning June 14 in the library or online at whitefishlibrary.org.

GET YOUR CHALLENGE NUMBER. We need name and contact information (phone or email) in case you win a prize. Note your number on your Reading Log.

VISIT THE LIBRARY. After you've completed one or more rows of the log, bring it to the library. You'll get a ticket for the Prize Drawing and a cobblestone sticker for the *Pave The Way!* mural to benefit Whitefish Community Center's Meals on Wheels.

LAST DAY TO GET PRIZE TICKETS: Saturday, August 14, 2018 by 5:00 p.m. We will not be able to enter tickets after that.

PRIZE DRAWINGS [AKA "end-of-Challenge Prizes"]: Tuesday, August 17. Winners will be notified that day. There is a limit of 1 PRIZE PER PERSON (This will be the first prize for which your name is drawn.)

PAVE THE WAY! Whitefish Credit Union is sponsoring cobblestone stickers. The stickers build a road on the *Pave The Way!* mural posted in the library. Each cobblestone in the road means \$1 donated to Whitefish Community Center's Meals on Wheels delivery up to \$500. Thanks, WCU!

****BOOKS =** Any format that involves Reading: Fiction or nonfiction books, audiobooks, magazines, comic books, newspapers, and read-along kits. Items do not have to be library items, but must involve READING and may not be below the reader's reading level.*
