Hearing: A & I Auto, Inc.

Mr. Ernesto Montalvo, Licensee
1466 Purchase Street

Your presence is requested at a hearing under Chapter 140 of the Massachusetts General Laws.

The hearing is being held at the request of the Commissioner of Buildings and the New Bedford Police Department due to your failure to comply with their request to clean up your lot and to get rid of the junk cars that are currently stored on your lot; as well as addressing neighbor complaints of work being done on cars late at night, playing loud music, and leaving unregistered cars on the street. There are also reports that you or someone is living on the premises and someone is doing work at all hours. You were also instructed by Inspectional Services to reduce the number of cars on your lot to eighteen (18).

Be advised, all licensees must maintain a facility dedicated to carrying out said business and all licensees must adhere to all conditions of the issued license.

Short of full compliance, the Board must act and **as such you will be required to bring in your 2020 MV Class II License**. Depending on the Board's findings, you may be required to surrender your license until this matter is resolved.

***** 2020 MV Class II License was picked up by Inspectional Services on 12/04/20 and was returned to this office. Licensee is being evicted. *****
