Re: Permanent/Temporary Solution documents related to the Parker Street Waste Site: RTN 4-15685

Dear MassDEP BWSC:

In accordance with The Massachusetts Department of Environmental Protection's (MassDEP's) June 13, 2019 Notice of Non Compliance (NON) Number 00006692, the City of New Bedford has submitted Partial Response Action Outcomes (RAOs) and Permanent or Temporary Solution Statements (PSS-P/TSS-Ps) that collectively address the entirety of the Disposal Site identified as the Parker Street Waste Site (PSWS) and administratively tracked by RTN 4-15685, with the exception of the following two Disposal Site areas:

- On April 16, 2020 within the PSWS Phase IV Completion Statement, the City stated that in accordance with 310 CMR 40.0172(4)(c) of the MCP, the City was legally unable to perform the work at the Hetland Ice Arena located at 310 Hathaway Boulevard, as the owner of the property, the Massachusetts Department of Conservation and Recreation has not allowed legal access to the property. DCR has assumed the performance of response actions at Hetland Ice Arena; and
- Notice of Delay (link [here](#)) was submitted to MassDEP on July 14, 2020 for the completion of a Permanent or Temporary Solution at City-Owned Rights of Way within the Disposal Site Boundary. The Permanent or Temporary Solution at City-Owned Rights of Way will be submitted to MassDEP by October 17, 2020.

The attached table provides a comprehensive list of RAO-Ps, PSS-Ps, and TSS-Ps that comprise the Disposal Site, as well as RAOs for properties associated with, but determined not to be located within the Disposal Site boundary. The table also includes a link to each document.

Due to the numerous documents on MassDEP's searchable sites database associated with RTN 4-15685, the City is pleased to provide this information to MassDEP and to the public for ease in identifying specific documentation related to each portion of the Disposal Site as well as associated properties. Should you have any questions or require additional information, please contact me at 508-979-1487.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Paul', written in a cursive style.

Michele Paul, LSP

Director, Resilience and Environmental Stewardship, City of New Bedford
