2006 MOUNTAIN AIRE DIESEL PUSHER

by Newmar
This year, we’ve got big plans.
We’re thinking big. Living big.
Going new places. Doing new things.
And letting the details take care of themselves.

This year, we’re ready for the Mountain Aire.
Sofa
Our ultra-comfortable living-room sofa has a large storage drawer concealed in the base. For added elegance, we’ve created a new sculptured carpet design.

GE Profile™ Advantium™ Oven
Select this convection/microwave option, and you get GE’s award-winning Speedcook technology—for perfectly cooked meals every time.

Newmar’s legacy lives on in new ways.
All of us at Newmar take special pleasure in offering this extraordinary motorhome. What sets the 2006 Mountain Aire apart from the pack is its perfect harmonizing of form and function, its breadth of high-end features. Select models are even available with a fireplace. It’s all about innovation—and keeping an eye for the details that make RV living come alive. People trust Newmar for this. It’s our legacy to each new generation of RV enthusiasts.

President, Newmar Corporation
Norcold® Four-door Refrigerator
With its integrated icemaker and water dispenser, this Mountain Aire option brings added homestyle convenience to your kitchen.

Fisher and Paykel DishDrawer®
This optional, large-capacity appliance blends beautifully with your surrounding cabinetry, disappearing when not needed, yet ready when you are for serious dishwashing.

Your Mountain Aire Kitchen
Polished Corian® countertops. Undermounted sinks with single-lever faucets and filtered drink dispensers. Upscale appliances. Generous cabinet space. All contribute to making your Mountain Aire kitchen the hub of a truly enriching RV lifestyle.
Sweet Sleep
Depending on the floorplan, Mountain Aire bedrooms offer king or queen beds with a quilted headboard and bedspread, a reverse sham and accent pillows. The bed lifts up to reveal a large bed-base storage area.

A True Design for Living
Mountain Aire's open, airy floorplans are especially conducive to living “the good life.” Move around freely. Settle into the plush, oversized seating and relax. Or enjoy such options as a Sony® flatscreen color TV and a built-in fireplace.

Bathroom Amenities
Easy-cleaning, polished Corian® countertops, ample cabinet space and a decorative glass shower door are but a few of the Mountain Aire bathroom’s thoughtful conveniences.
Exterior Entertainment
A popular option, this enclosed system includes an LCD flatscreen color TV mounted on a swing-out arm, a Sony® AM/FM stereo with a CD player and two speakers.

End-cap Designs
Mountain Aire’s clean, crisp exterior styling gets a boost from its striking front and rear end caps. They harmonize the various exterior elements and give the coach a sleeker look.
Driver and Passenger Seats
Ostrich-embossed leather seats with power lumbar support, heat and eight-way power adjustment keep you comfortable mile after mile.

Keyless Entry
Extra convenience and security are yours with this personally programmable keyless-entry door-pad.

Pass-through Storage
Optional slideout trays in the basement’s expansive pass-through storage compartment make it easier to stow and retrieve items from either side of the coach. Side-hinged swing-out doors give you easy access.

Protected C-channels
To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

Sikaflex®
Used throughout Newmar construction, Sikaflex elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

Newmar Total Comfort™ Central Air Conditioning
Experience RV air conditioning just like that found in site-built homes. Newmar’s Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

16” On-center Framing
Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

**Full-Paint Masterpiece Finish™**

Newmar’s Full-Paint Masterpiece Finish creates an exterior of stunning beauty and incredible endurance—a true work of art. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Mountain Aire Diesel Pusher standard.

**Diamond Shield**

Diamond Shield Front Paint Protection Film is standard on all Mountain Aire Diesel Pushers featuring the Full-Paint Masterpiece Finish. This film protects against stone chips, scratches and bug acids and keeps the Full-Paint Masterpiece Finish looking new.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

**GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

**UVW:** Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

**NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.

1. Lengths do not include the rear ladder.
2. Specifications are supplied by chassis manufacturer.
The RVDA Quality Circle Award

For the fourth year in a row, Newmar has won the RVDA’s Quality Circle Award, a reflection of feedback obtained from the association’s annual dealer satisfaction survey. This is quite an honor—a measure of the trust our dealers and customers place in us. We will continue working to retain that trust.

The Newmar Factory Tour

We would love to have you visit our state-of-the-art production facility in Nappanee, Indiana. That’s why we offer factory tours Monday through Friday at 10 a.m. and 1 p.m., Indiana time. Pre-registration is not required but helpful, and certain safety restrictions do apply. For more information, or to pre-register, please call 800-860-0086.
