Thank You!

This truly is a Season of Caring and Sharing. We want to thank everyone who has given time and energy to serve your community, your neighbor, your co-worker, or a perfect stranger in Jesus' name. The way that we will make God famous is by continuing to reach out in tangible ways to show love to those around us. Our prayer is that our loving Creator will be honored by our service and that others will see Him through our service and words. May God bless you and your family with a clear understanding of His great love for you and his desire to shine His light through you to those around you. May the grace and peace of God fill you as you move into a new year – to serve.
