Sparks Handbook Guidelines

- 2 helps <u>only</u> per section (not per verse)!
- A "help" contains no more than 3 or 4 words. A help is any sort of hint that you give a clubber.
- Entire section is said at one time (not verse by verse).
- If a child is not completing verses at home, feel free to give them an award after every 4 sections they complete. (The sections do not have to be consecutive.)
