Sherwood Oaks Christian Church

background

TCM is dedicated to Taking Christ to Millions.
And they have found that the most effective way
to do this is by Training Christians for Ministry.

Strategy: TCM comes alongside Christians who are leading in their own countries and have a passion for reaching their people for Christ. Through TCMI institute Christian leaders are trained for a fraction of the cost of sending a U.S. missionary to that same country. Since these individuals already know the cultures and languages, they are able to have successful ministries and are equipped for a lifetime of service.

Implementation: TCM is educating Christian leaders from more than 40 countries through an accredited graduate institute. Courses are offered in a flexible format so that students can stay fully involved in their local ministries. 80% of each class is delivered online and another 20% is finished face-to-face with in-depth discussion, mentoring, and application of the online portion.

Students travel to Haus Edelweiss to complete some classes. Others are taught 'in country' so they don't have to travel so far. Volunteers (maybe you?) serve as hospitality staff as they study, providing their meals and comfort as they study.

specifics

Host: Sherwood Oaks Christian Church & TCM International Institute www.tcmi.org

Dates: **October 19- November 2, 2019**

Project: A Short-term worker's God given gifts and talents will be utilized to serve Christian leaders who come to TCMI's main teaching campus near Vienna, Austria for ministry training. Jobs vary from maintenance-and-grounds projects (mowing lawns, etc.) to food preparation and serving, setting tables, dusting, sweeping, changing bed linens, doing laundry, etc. A short-term worker **MUST** have a SERVANT'S HEART to help the Haus Edelweiss staff give students the education and ministry tools they need to lead the Global Church forward.

Each short-term project with Haus Edelweiss is 13 days, including travel time. Volunteers work 10 hours each day with adequate breaks for rest. There are many stairs to climb in the course of a day's work, so volunteers **must have good physical strength and stamina.**

Team: 8 from SOCC, anyone over 16yrs.

Travel: Flights from Indianapolis to Vienna will be arranged through Sherwood Oaks Global Outreach department. All round transportation is covered by TCMI.

Housing: Hotel-like accommodations at Haus Edelweiss. Very nice.

Food: Meals are carefully prepared by the mission cooks and short-term workers. All meals are shared with the students, family style.

R&R: The team will spend days off in Vienna and another quaint Austrian village nearby.

Cost: International Air Fare (~\$1200). Meals on days off, souvenirs & incidentals. (~\$200). An optional 2 day visit to Salzburg may be offered following the mission. A **\$100** deposit per person is due with the registration.

Fundraising: Fundraising packets are available. All funds raised through Sherwood Oaks are applied directly to your individual project costs.
