

16th ANNUAL FURNITURE GIVE-AWAY 2020

SPECIAL 2020 EVENT

This year's Furniture Give-Away Event will be different than ever before!! It will mean even more to all the international students that have gone through so much to be at Indiana University and be a part of our community and family.

To make this event safer we have implemented the following changes:

- **Limited Furniture Pick Up and Drop Off:** We will only take furniture that is placed in donor's garage or driveway. We will only deliver furniture to outside students' apartments.
- **Limited Donations:** Only furniture will be donated this year. No household items like bedding or small appliances.
- **Virtual International Student Engagement:** Students will have a chance to select their top furniture wishes via online connection with volunteers.
- **Safety Procedures:** Masks are recommended during volunteer-only activities. Masks are required when interacting with donors and students.

We understand the current COVID climate and the limited timeline challenges. **Like in feeding the 5000, we will give our "five small barley loaves and two small fish" to Jesus and trust Him.** We love our International Students Community and are pushing forward to help them with this outstanding FGA annual event. Please help in praying for us.

July 25 – August 20, 2020
Furniture Donation

KEY DATES:

August 22, 2020
Furniture Giveaway Event

To donate or volunteer go to
MyFGA.org
