Now Accepting Applications for June Training

Monroe County CASA (Court Appointed Special Advocates) is now accepting applications for the upcoming June training session. The next training is from **June 6th-29th on Monday, Wednesday, and Thursday evenings from 5:30-8:30 p.m.** This training will be held in person.

The waitlist for children in need of an advocate is growing. Caring, compassionate adult volunteers are needed to give these children a voice in court. Volunteers need to be able to give approximately 8-15 hours per month, have some daytime flexibility, are 21 years of age or older, and can commit 1-2 years of service (ensuring that they will see a case to completion).

CASA is a volunteer-powered program that provides representation in juvenile court for child victims of abuse and neglect. They provide support to these children to ensure that they remain at the forefront of the court proceedings and find a safe, permanent home as quickly as possible.

To learn how you can change a child's story, please visit www.monroecountycasa.org/volunteer or call 812-333-CASA.
