

# A Prayer of Repentance

Humble and Hungry

Repentance is turning *from* sin and **to** God.

Let this outline guide your prayer of repentance.

1 - Be honest with God about your sin.  
No excuses or justifications.

2 - Ask God to change your heart  
and transform your desires.

3 - Thank God for his love and  
let His grace renew you.

4 - Commit to living differently in response  
to God's loving kindness.

\*Repeat often, knowing you will always  
receive mercy and find grace  
in your time of need  
(Hebrews 4:16).\*
