

AMAR ES SERVIR

HIS EYES ministry in Honduras is an exciting “full service” mission that touches the spiritual and physical lives of thousands each year through optometry, medical, and dental clinics; church planting; clothing and food distribution; mission team and work projects in Tegucigalpa and in villages throughout the country. Sherwood Oaks has been a proud partner with HIS EYES for over 20 years. Hosts Trevor and Valerie Colby are great models of American missionaries who are sold out to meeting spiritual and physical needs of the people.

Experience the blessing of serving alongside caring Honduran believers who are making a difference in one of the poorest countries in the western hemisphere. Their love for Christ and for their neighbors compels them to share whatever they have in Jesus’ name.

What do you have to share?

HONDURAS MEN'S MISSION PROJECT

FEB 24–MAR 2, 2018

BACKGROUND

For the last 20 years, Sherwood Oaks Christian Church has been involved with HIS EYES ministry in Tegucigalpa, Honduras, and with F.A.M.E. (Fellowship of Associates of Medical Evangelists), who resources the medical, dental, and optometry clinic on the property. As a result of years of dedicated work, HIS EYES has established mission churches in the villages of Choloteca, and San Juancito, Honduras.

Sherwood Oaks' involvement has included support of the HIS EYES missionaries, assistance in start-up, operational and ministry costs, and support by sending short-term teams.

Sherwood Oaks has a strong commitment to HIS EYES ministry. Our resources, ministry teams, and prayers are important elements in Sherwood Oaks' and HIS EYES' development as growing members of the Body of Christ.

What does God want to do through you and in you as part of this mission team?
