### BEDFORD REMODEL

At the end of 2017, the Elders approved funds for a facelift to the Bedford campus! You've probably already noticed some of the work being done and over the coming weeks, expect to see a lot more. This is an exciting project, but will take a couple of months to complete. In the meantime, we appreciate your patients as our campus is a "work in progress!" 2018 is going to be an exciting year for Bedford. We can't wait to see what the Lord is going to do in our lives and our community!
