MEXICO FAMILY CAMP

25th ANNIVERSARY

JUNE 20-26, 2020

Hosted by:

AMOR MINISTRIES

What started as a faith journey of Amor's founders Gayla and Scott, has turned in to a global ministry with a vision shared by many. Gayla and Scott founded Amor Ministries in 1980 to address the housing needs that were keeping families apart. The first homes were built alongside families in the Tijuana dump who were sending their children to orphanages because they couldn't provide for them. These families were desperate to stay together, but resources kept that from being possible. After learning about this, Amor's Founders decided to do something about it. Today Amor is active in communities throughout Mexico, South Africa, and beyond. Amor Ministries does more than just make life easier for a family in need; we open hearts to truly see the grace and love of Jesus by providing security, safety, and stability. Through the time and energy of our volunteers, Amor has kept over 18,000 families together. Join us in our mission. Come build hope. Over 2000 Family Campers from Sherwood Oaks have built over 40 houses during 23 years of Family Campers. **Join us in 2020!**

MEXICO FAMILY CAMP

Mexico Family Camp is a week of camping, serving, and growing together. Families meet in San Diego to travel together across the border to the Amor Family Campsite in Rosarito, Mexico. We stay together in a tent city where everyone gathers for incredible dinners and evening sessions around the campfire. Each day begins with family devotions and a hearty breakfast before boarding vans for the work sites. Family teams of 25 work each day to build homes for needy Mexican families. Each year, families are deeply touched by the experience of working together, worshiping together, and growing together.

Be prepared for God to stretch you physically, mentally and spiritually. Don't miss this opportunity to touch the lives of Mexican families through your service, while you impress upon your family the things that matter most to God. You're building more than a shelter - your family is giving hope.
