Home Group Discussion Guide

Come and See | The Gospel of John

Week 3 | 1.26.20
John 2:1-12

Icebreaker:
Did your mother ever say anything to embarrass or annoy you? What was it?

Read this week's scripture and discuss:

1. Last week we asked that you be ready to answer this question: We see in John 1 that John the Baptist, Andrew, Peter, Philip and Nathanael all recognize Jesus as the Son of God or Lamb of God. Throughout the gospels, the disciples grow closer to Jesus. Where are you now in your journey of faith? What might help you in taking the next step in your journey of faith?
2. What do we observe about Mary and her relationship with Jesus? How do you understand their exchange here in John 2?
3. Jesus says in response to his mother asking him to help with the wine, "My hour has not yet come." This could mean the hour of his ministry, the hour of him as the groom to his bride the church, or the hour of his impending death. What do you think Jesus' statement means and why?
4. Jesus is about to embark on his ministry and his life mission. Yet he stops to attend a wedding with his mother and his disciples, and works with servants to replenish the wine. What do these clues tell us about what John wants us to know about Jesus?
5. In verse 11, it says "the disciples believed in him" after his miracle of turning water into wine. In John 1, we saw that they all believed in him then. What might this mean that they believe in him now in John 2?
6. When Jesus turned water into wine, he made really good wine and a lot of it (six stone jars of 20-30 gallons each)! What do these details tell us about Jesus?
7. What would it be like to see Jesus do this miracle? Some people at the wedding saw the miracle, others missed it. Do you see miracles or miss them? Where in your life would you like to see a miracle?
