Enneagram for the Christian journey

Sundays | 10:30 am | March 1-May 10 | Room 201
Please join us for a class about the Enneagram, a test that is uncannily accurate in describing how humans are wired. This class will include listening to panels of individuals in our own community as they share their exploration of their type and the ways they've understood both struggle and growth. Interactive panels help us grow in love and non-judgment as Christian community.

Ash Wednesday Services

Wednesday, February 26 | 12 pm or 7 pm
Lent is a time set aside in the church for spiritual renewal and growth. On Ash Wednesday, which kicks off the Lenten season, we seek a fresh start by saying yes to the Lord's invitation to walk with him. Though we bring plenty of baggage on our journey, Jesus reminds us that his yoke is easy and his burden is light, asking only that we set our hearts on him.

Join us this week for Ash Wednesday services at noon in the Chapel or at 7 pm in the Sanctuary.

Home Group Discussion Guide Come and See | The Gospel of John

Week 7 | 2.23.20
John 5:31-47

Icebreaker:

John the Baptist pointed to Jesus as someone to follow. Whom do you still admire or follow today that was a hero to you as a child?

Read this week's scripture and discuss:

1. Jesus says that testimony from other witnesses (including John the Baptist and God the Father) tells others about him. What witnesses or testimony convinced you to believe in Jesus or to follow Jesus?
2. Jesus says that some people think they find eternal life in studying the scriptures (verse 39). Why is that flawed thinking? What is the real way to have life?
3. Have you seen anyone put their love of the Scriptures before their love for Christ? Have you ever been guilty of this?
4. In consideration of verse 39: In Reformed tradition we speak of "the written Word" and "the living Word." Is this distinction helpful, and if so, how?
5. In Hebrew/Jewish culture, what did a name signify? For instance: Peter means "rock" and Joshua means "to save." In Western cultures, what does a name signify? What does it mean to act "in Jesus' name"? (see verse 43)
6. Following Jesus should not be just head knowledge but also in your heart. How can we use Scripture to cultivate the love of God in our hearts? What ministries or spiritual practices or steps have you utilized to have Jesus both in your head and your heart?
7. Prayer is one way to move our understanding of God from our heads to our hearts. Theologian Andre Louf describes prayer as: *the word of God that has become wholly our own and in that way has been inscribed deep in our body and our psyche, and now can become our response to the love of the Father.* Have you ever prayed like this? How would you go about growing a prayer life like this?
