It's good to know that dysfunctional families have been around since at least the time of Joseph and his brothers! This summer we'll be taking a look at the story of Joseph and be reminded that God can work in amazing ways no matter what family you come from and despite the difficult things that may come your way. We look forward to joining you this summer at worship as we explore the life and relationships of Joseph, his father Jacob, and his 11 brothers.

Notes:

If you would like someone to pray with or for you, please go to the west alcove by the cross after the service. It would be our privilege to pray on your behalf.
