### Sermon Notes:

What is God like? (Psalm 103)

- God forgives, heals, redeems, crowns, satisfies, works for justice, has compassion.
- God is merciful, gracious, slow to anger, abounding in love.
- God removes our sins as far as the east is from the west.

What are God's attributes?

- God is holy, unchanging, all-knowing, all-powerful, all-loving.
- God is patient, just, compassionate, expectant.

What is our response to God?

- Praise God for who God is.
- Thank God for what God has done.
- Love God back because God has first loved you. (1 John 4:11)

**Prayer after service:** If you would like someone to pray with or for you, please go to the west alcove in the Sanctuary after the service. It would be our privilege to pray on your behalf.

Assistive listening systems are available upon request. Check in with the sound booth at the back of the Sanctuary.
