### ZPC has a gift for you!

One important aspect of our spiritual journeys is incorporating the teachings of Jesus into our everyday lives. To this end, ZPC is inviting you to join RightNow Media to give you free access to an online library of video Bible studies, leadership videos, and kids shows. You will have access to video resources to help you with parenting, marriage, and discipleship. It includes content for all ages and stages of life. If you missed last week's email invitation, stop by the Welcome Center for information on how you can join.

It's good to know that dysfunctional families have been around since at least the time of Joseph and his brothers! This summer we'll be taking a look at the story of Joseph and be reminded that God can work in amazing ways no matter what family you come from and despite the difficult things that may come your way. We look forward to joining you this summer at worship as we explore the life and relationships of Joseph, his father Jacob, and his 11 brothers.

**Notes:**

If you would like someone to pray with or for you, please go to the west alcove by the cross after the service. It would be our privilege to pray on your behalf.
