session update

The ZPC Session's regular monthly meeting on May 7 began with a devotional led by Don Paterson and prayer for the congregation. The elders celebrated meeting with ZPC's youth inquirers and approved 23 of them to join the church as members. After hearing from several members by email, the Session discussed going to one worship service for this summer. For many reasons, the Session decided to continue with two worship services with distinct worship styles, even for the summer months. The Session discussed The Fellowship of Presbyterians, the ZPC photo directory, and received reports from finance, governance, session staff liaison, and strategic focus teams. The session closed in prayer, praying for Don Paterson and his wife Star, thanking God for Don's three plus years of service as the executive director for the church. The next session meeting is Tuesday, June 4 in Room 108 and is open to the congregation.
