			Global Health 1	Food Pantry 2	Freedom in Christ 3	Independence Day 4
			Creator God, we ask for you to heal our world from the devastation wrought by Covid-19. Heal our bodies, hearts, and interactions. Wipe out the disease.	We thank you for the volunteers of the food pantry and the clients who come. Enrich and nourish this significant community.	John 8:32 "Then you will know the truth, and the truth will set you free." Help us to understand and accept the freedom Christ offers.	Holy Father, we ask you to bless the USA. Help us to be a nation that reflects your love and ideals. Guide our elected leaders to be wise and honorable.
Outdoor Worship 5	Great Escape at ZPC 6	Heart to Heart Ministry 7	Brazil 8	Creativity of ZPC Staff 9	Racial Equality 10	Ears to Listen 11
As ZPC gathers for outdoor worship with social distancing, we ask God to bless our congregation with joy and safety.	Father, bless the leaders and children participating in this middle school program. May they grow in faith and experience loving Christian fellowship. Help them have fun!	Gracious God, help women seeking to find spiritual mentors discover this ministry program. Encourage existing relationships to continue or resume.	Brazil is a focus country for ZPC missions, and we ask the Lord to bless this country and its citizens with peace and stability.	Father God, we praise you for the creativity of our church staff. They have found new, exciting ways to unite us in worship, especially while we stay at home. Thank you!	Almighty God, we ask you to heal our nation of racial inequality and injustice. Help each person to view others as you do--as individuals lovingly made in your image.	Give us ears to hear what those around us are saying. Help us to listen openly and actively, with the goal of gaining understanding and empathy.
Noah's Ark Child Care 12	Living Truth Ministry 13	Team World Vision 14	Egypt 15	2nd Half Adventurers 16	Humble Hearts 17	Knees for Prayer 18
Lord, we ask your continued blessing on Sherry Pipkin and the staff of Noah's Ark. We are grateful for their years of professionalism and service.	We ask God to guide the work of Michael & Kristin Cary of Living Truth Ministry. Help them to witness and bring healing to others.	As TWV recruits new and returning runners who will raise money to bring water worldwide, we ask for God to bless their efforts and encourage those training.	Egypt is another ZPC focus country. We ask God to guide and protect the work of the Evangelical Theological Seminary in Cairo.	Lord, we ask a special blessing on the members of this fellowship group. May our senior saints have joy, peace, and health during this difficult season.	Gracious God, we are looking for ways to trust you as we all adapt to the significant changes we are experiencing. Give us humility, coupled with faith in your care.	Holy Father, remind us to "pray continually," as instructed in 1 Thessalonians 5:17. Help us learn to lean on You and your strength through frequent prayer.
Jason Chapel 19	OMF International 20	ZPC Tech Team 21	Mexico 22	Devotions by ZPC Text 23	Patience 24	Spirit of Servanthood 25
Lord, we ask for your blessing and healing hand on Jason, our new Associate Director of Worship, as he recovers from a broken bone and leads us in worship.	Father, we praise you for the work of missionaries in Asia who are dedicating their lives to bringing the good news of Jesus to people who may not otherwise know your story.	We are grateful for the work of the tech team as they bring video and news to us via email, the ZPC website, and social media. Bless and enrich them and their efforts!	Lord, we pray for the city of Reynosa, and for Faith Ministries, which operates there. Help them to accomplish their goals, especially since many groups could not come to help during spring.	We offer praise and thanks for the many individuals who have provided devotionals via text to our membership. These have enriched our spiritual lives and united our thoughts.	When we experience stress and change, we need extra patience. Father, we ask that you help grow our patience with one another. Teach us to take one day at a time.	This "mark of a disciple" seems especially relevant now. Help us to adopt a spirit of servanthood in our daily lives.
ZPC Musicians 26	Missionaries to Mongolia 27	Deacon Hospital Team 28	Uganda 29	Healthcare Workers 30	Gratitude 31	
We offer appreciation and support to our worship team and musicians. May they enjoy their work and be blessed by it.	ZPC supports several missionaries to Mongolia. We ask God to protect and encourage them. Strengthen them to do the work you have called them to do.	Lord, bless the faithful deacons and other team-members who visit our members in the hospital. Help them know we love and appreciate them.	Loving God, may you watch over the orphanages and other sites our ZPC families have partnered with in Uganda.	As the need for doctors, nurses, and other medical staff continues, we ask God to protect their health and well-being. Help us also to thank and encourage them.	Make this Scripture real to us: "Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning..." Lamentations 3:22-23
