				Thursday Morning Men's Study 1	Food Pantry 2	Str8 Up Ministry 3
				Lord, as men gather to read your Word and share concerns, we ask that you be among them and inspire them.	We give praise for this ministry, its volunteers, and its clients. May their physical and spiritual needs be met this month.	Bless this Indianapolis organization and its outreach to urban youth. May they find mentors and the love of Christ.
Outdoor Worship 4	Frontier Ventures in Ethiopia 5	Family Connections 6	Brazil 7	Soul Sisters Bible Study 8	Habitat for Humanity 9	ZPC Choir 10
Thank you for the creativity of our staff and the faithfulness of set-up crews as they prepare Sunday morning worship for us.	We ask for God's blessing and mercy on Christ followers in Harar. May they grow in faith and be protected as they risk sharing their faith.	Heavenly Father, help us reach out to family members we are not able to visit in person. Nudge us to stay in frequent contact with those we love.	Lord, you know that ZPC has several ties to people and churches in Brazil. Please bring them and their nation peace and sufficiency.	As women gather to study the Bible, please bless their time together. Feed their hearts and minds with fellowship and your Word.	May this important local ministry meet its financial goals and continue to provide comfortable, affordable housing to eligible residents.	Singers have been gathering on Wednesday evenings. Bless their time together as they join voices and hearts to praise you.
Heart to Heart 11	Understanding Among Races 12	Community Assistance Ministry 13	Navigators Mongolia 14	Elections in the USA 15	Joy of Giving 16	Jeremiah House 17
Please prompt new women to invite friends into this 1:1 ministry. As one woman mentors and guides another in studying your Word, may they all grow in faith and friendship.	We ask you, Lord, to place reconciliation on our hearts as we interact with and befriend those of different races in our community. May we lift one another up.	Gracious God, we ask your provision for this ministry. Give our deacons guidance as they receive requests for money from people unable to pay their bills. Bless those in need.	As missionaries are unable to return to Mongolia during Covid, may they find new ways to minister. May their time away--akin to being in the wilderness--bring spiritual growth & rest.	Lord, we ask you to instill strength, humility, and compassion in our leaders and citizens. May they seek to honor you. May we give grace to those with whom we disagree.	"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver." 2 Corinthians 9:7 Help us give and experience this joy.	Help ZPC continue to assist men who graduate from the Wheeler Mission Hebron Addictions Recovery Program through our Jeremiah House.
ZPC Golf Challenge 18	Wycliffe Bible Translators 19	Kairos Prison Ministry 20	ZPC Friends in Middle East 21	Friends 22	Quiet 23	Visitors to ZPC 24
Please encourage ZPCer's with a fun outing today at this event. As we make new friends, help us build community.	This organization seeks to translate God's Word into every language. Lord, please equip translators and provide the funding and knowledge to do this.	Inspire the people who serve in this ministry, and gird them with strength and compassion to serve those living in prison.	Heavenly Father, help our missionary friends who are learning Arabic to have open doors to serve you. Bring people to their circle who are ready to hear your message.	Friendship brings joy and hope, and it's so important during times when our social circles are smaller. Today, may we remember a special friend or two and contact them.	Lord, let us seek quiet time to be with you today. May we rest in that quietness. May we sense your peace and depth.	Perhaps new people will decide to attend ZPC tomorrow or one day soon. Lead them to do so. Help us to welcome them well.
Middle School Ministries (MSM) 25	OMF Philippines 26	Meals Team 27	Foreign Relations 28	Routines 29	Homes 30	Spiritual Safety 31
We ask God's blessing on Brendon, our middle school students, and all the adults and high school students who are working with them. Draw them to you!	We pray for missionaries in Manila. May they be able to continue to serve those who have lost work due to the pandemic. Keep them safe and healthy.	We give praise for this ZPC deacon team and the meals they prepare for our members in need. Bless their cooking!	Lord, inspire our leaders to seek and follow your will. Grant them wisdom and understanding as they interact with leaders from other nations.	For months now, we have faced changes in our routines. Help us to establish new routines that give our days structure and meaning.	Lord, we are grateful for our homes. We appreciate their protection and comfort. For those without a home, help us help them find one.	On Halloween, we pray that the Holy Spirit will guard the minds of young and old from evil. Fill their hearts with fruits of your spirit.
