

Apartment Kit 2025

If you choose to assemble these at your location, please email jebner@outreachindiana.org to arrange a drop-off time. We'd also love pictures of your assembly event! We'd be happy to also schedule a time to bring the items here for your group to assemble. Either way, we would love to schedule a tour and overview when you come for anyone who is interested!

While the laundry basket is the only item that **MUST** be included, please include the below items as you are able. We also appreciate the type of contents remaining as similar as possible (can be different scents/brands etc, but if you include dish soap in one, please include dish soap in all).
