

MARK IT UP!

Mark up your composition/problem using the following 4 steps:

1

Review for structure.

Choose a color and circle any...

- Grammatical elements (punctuation, capitalization, spelling, etc).
- Computation elements (addition, subtraction, multiplication, division, etc).
- Artistic elements (statement of artistic medium, form, meter, etc).
- Other _____

2

Review for patterns.

Choose another color and highlight any...

- Repeating phrases, sentences, or structures.
- Mathematical patterns.
- Repeating colors, texture, musical phrases, movements, etc.
- Other _____

3

Review for hiccups.

Choose another color and underline any...

- Sudden differences in text.
- Math processes that deviate from the norm.
- Sudden changes in design, accidentals, form, etc.
- Other _____

4

Review as a whole.

Choose another color and draw a bracket around any...

- Identified or implied context.
- Mathematical explanations.
- Contextual instructions or phrasing.
- Other _____
