**Effective Date: September 24, 2014**

**Welcome to NextGenJane!**

This Privacy Policy discloses the privacy practices and procedures of NextGenJane, Inc. (“NGJ”, “we”, “us” or “our”) in connection with our [www.nextgenjane.com](http://www.nextgenjane.com) website and its subdomains (the “Website”), including without limitation our related services from time to time (together with our Website, the “Services”). This Privacy Policy applies solely to information collected by or in connection with the Services. This Privacy Policy does not apply to the practices of companies that NGJ does not administer, or to individuals that NGJ does not employ. We may update this Privacy Policy at any time by posting a new Privacy Policy to our Website. Your access and use of the Services is subject to this Privacy Policy and to our separate Terms of Use on the Website as in effect from time to time.

### Information Collected

You may choose to sign up for the Services or request additional information about NGJ or its Services by registering for an account on the Services (an “Account”). When you do so, you may need to submit certain information or data to NGJ, such as your name, email address and other contact information (collectively, “User Data”). Also, NGJ may receive a confirmation when you open a message from NGJ. This confirmation helps NGJ make its communications with you more relevant to you & to improve the Services we provide to you. Further, when you visit the Website, web servers collect “traffic data” about your visit (such as, for example, time and date of your visit to the Website or the address of the website from which you entered the Website), which is stored as anonymous, aggregate data. Collecting such data may entail the use of “cookies,” IP addresses or other codes used to identify a computer. “Cookies” are pieces of information that a website transfers to your computer’s hard disk for record-keeping purposes. Cookies in and of themselves do not personally identify users, although they do identify a user’s computer. You may be able to set the preferences on your web browser to prevent or limit your computer’s acceptance of cookies, but this may prevent you from taking advantage of some of the features of the Service. If you click on a link to a third party website, such third party may also transmit cookies to you. This Privacy Policy does not cover the use of cookies by any third parties.

### Use of Information

NGJ uses User Data to provide you updates about when the Services will be available, to respond to your inquiries for additional information about NGJ and/or the Services, and/or to develop or provide the Services. NGJ may also use your contact information to communicate with you, for example, about your use of the Website or Services. NGJ uses “traffic data” to help diagnose problems with its server, analyze trends and administer the Website. NGJ may also provide traffic data to its partners who may use such information to improve your experience using the Website or Services. NGJ never discloses traffic data to a partner in a manner that would identify you personally. Your IP address is not linked to personally identifiable information, but is used to gather broad demographic data and to monitor statistics to improve the Website and Services. IP addresses are also used to provide an audit trail in the case of any attempted illegal or unauthorized use of the Website.

### Sharing of Information

NGJ will not share personally identifiable information with any third party. NGJ may, however, disclose personally identifiable information if (1) it is reasonably necessary to provide the Services, (2) it is authorized by you, (3) it is otherwise permitted under this Privacy Policy or (4) NGJ is required to do so by law or regulation, or in the good faith belief that such action is necessary to (i) conform or comply with applicable laws, regulations or legal process, (ii) protect or defend the rights or property of NGJ or any other user or (iii) enforce the Terms of Use. Further, NGJ may anonymize and/or aggregate data in a manner which does not include any personally identifiable information, and use and disclose such anonymous data for any purpose. NGJ may transfer personally identifiable information to any successor to all or substantially all of its business or assets that concern the Services.

### Third Party Websites

The Website may permit you to link to other websites on the Internet, and other websites may contain links to the Website. These other websites are not under NGJ’s control. The privacy and security practices of websites linked to or from the Website are not covered by this Privacy Policy, and NGJ is not responsible for the privacy or security practices or the content of such websites.

### Changes

NGJ reserves the right to change or update this Privacy Policy at any time by posting a notice at the Website. Any information, including User Data, collected by the Services, or otherwise provided by you to NGJ, is subject to the Privacy Policy in effect at the time of use. You are bound by any changes to the Privacy Policy when you use the Services after such changes have been first posted.

### Your Consent

By using the Website, you consent to our latest Privacy Policy.
