Re: Nick Plagman

To whom it may concern:

It is my pleasure to write this recommendation on behalf of Nick Plagman. Nick has always had an interest in helping others in the community, which led to his involvement with North Fulton Community Charities. He has been volunteering within our organization for five years.

Since 1983, NFCC has been providing emergency food, financial and clothing assistance to approximately eighty five families per day. We operate with a very small staff of eight and depend on volunteers to cover over seven hundred hours weekly. Nick has been able to experience many different areas in our agency, including the Food Pantry, Thrift Store and Holiday Program. He has been instrumental in the sorting, packing and distribution of the three tons of food NFCC handles on a weekly basis. Nick has a keen sense of the program's operations and is very detail oriented. He has taken over the management and implementation of this program, on his own, which has greatly improved the efficiency of the Food Pantry. Nick is a very self-motivated young man with an extremely positive attitude. He has shown compassion for others during their difficult times and has been an asset to our agency. It has been a pleasure to have such a hard working young man in our agency and I know he will have continued success.

Sincerely,

Susan Lenio
Assistant Director
